The group is also working with local football clubs and the Argyle Community Trust who will be key to the delivery of football and wider sporting outcomes and support. Community engagement and support will be key to the success of the project. This has already started and there is lots planned over the coming weeks and months. Updates on the progress of the project, and further information on the facility itself, will be added to the following website - <https://www.torpoint.cornwall.sch.uk/3g-ftp-2025/> as it becomes available.

Class News

Class Lynher - In PE this week, we did some team training to improve our communication during group games. We enjoyed typography in art and in English we did a distance write about our dream, perfect day in the summer holidays. In science, we investigated properties of materials and set up tests so that we could compare them. By Phoebe & Charlie

Class Tamar - We have been deciding our classroom rules and settling into our new classroom. We have started learning about The Stone Age. We discussed what we already knew and what we wanted to find out. We played tag games in PE and designed the front covers of our gratitude journals. In French, we learnt some background about the country and their culture. By Billy

Class Cremyll - We have been learning about what technology is and in RE, we have been thinking about who is important to us, just like how Allah is important to Muslims. In PE, we have been following instructions and creating different movements. By Skye

Class Plym - We have been reading 'The Colour Monster' and talking about our feelings - what makes us sad, and what makes us happy. We had a tour of the school, made new friends, and also enjoyed our first PE lesson where we had to do lots of balancing whilst playing 'the floor is lava'. By Pip

School Dinners

A reminder that the children who have moved up to year 3 will now need to pay for school dinners on ParentPay, unless you are entitled to free school meals. Dinners are £2.60 per day. Please can everyone check and clear their dinner money accounts, as we have 18 accounts overdrawn. If you need a copy of your activation letter for ParentPay, please contact the office.
