7th October 2016

Message from Head teacher: We are very proud of our flags outside school; these were made by the children at the end of the summer term. We are not sure about the flag poles and how long they will last - any ideas, please let us know! A huge thank you to Tim Newcombe, Ian Williams & Andy Down for helping put the flags up and our wonderful new notice board under the office window. We do have some small jobs that still need doing around school - please see below. Any help is very much appreciated and it means we have more money to spend on your children.

Dates For Your Diary

Monday 17th October - Year 1 hearing screening.

Tuesday 18th October - Class Tamar Parents' Evening.

Wednesday 19th October - Years 1 & 2 Marine Award Presentation. Parents are invited to attend the presentation at 2pm. (Letters to follow).

Governor Vacancies

We have a couple of vacancies on our governing body. If you're interested in joining the team, please let Mrs Norton know and she will put you in touch with Jackie Eason, the development governor, who will be happy to talk to you about the role and the skills that are needed. Governance is a great way to support the school and get involved.

Music Lessons

Thank you to everyone who has taken an interest in having music lessons with Mr Zalick. Unfortunately, due to personal circumstances there has been a delay in the lessons starting. We are hoping that lessons will commence after Christmas. Thank you for your patience.

Alice in Wonderland

We have been auditioning today for our Alice in Wonderland production. We have provisionally booked the Community Hall for both the afternoon & evening on Monday 12th December. We expect that ALL children will be there for BOTH performances. If you have any problems with this can you please let us know now. Please can you help us make it extra special by volunteering support for costumes, lighting & scenery - let the office know if you can help. Thank you.

Marine Award

Please could we have any spare junk for junk modelling on Monday 10th October. E.g. cereal boxes, clean yoghurt pots and milk bottles.

School Field Gate

If you would like to use the new gate at the back of the school field, please let us know so that we can arrange for it to be open.

Class News

Class Lynher - Some of us went to an Able Writers day on Monday which was really good. We met an author, Kate Williams, who is a poet. We wrote some poems of our own about nature. In English, we have been reading short stories from a book called 'Fantastic, Funny, Frightening', and have enjoyed doing some role play. By Meryn, Marley, Stanley & Ellie

Class Tamar - We have been reading 'Ottoline & The Yellow Cat' and have been acting out some of the freeze frames. We have been making our own electrical circuits and questioning how they work. We have also been enjoying tag rugby. By Jan, Jack & Autumn

Class Cremyll - We have been learning about what makes a good poster & reviewing our own. We have also been out looking at materials and thinking about why we use different materials such as glass, wood etc for different things. By Ollie & Taylor

Class Plym - We have made a sock number line outside and have enjoyed doing our phonics in groups. We have also been learning about the five pillars of Islam and thought about five different things we would like to do everyday when we get older. By Jack & Damien

Jobs That Need Doing Around School

- The beds in our allotment need weeding and digging over.
- The sand pit in Class Plym needs weeding and filling.
- The flower bed under the office window needs attention.
- Our old notice board by the road needs removing.
- Our basketball hoop is still very sturdy but could do with some new struts welding on.

Any help is much appreciated. Thank you.

Please Can We Have..

- Spare socks and pants (both girls & boys) for Class Plym.
- Coat hangers.

Coats - A reminder that all children should be bringing a coat to school with them.
