Salvation - What did Jesus
do to save human beings?

Lynher Spring 2 2024

I understand the timeline of the Salvation story and where it fits in the bible

We used Biblical text which depicted the last days of Jesus' life, starting from the agony in the garden to his resurrection. We produced art work and story boards for each section.

We found there were many elements that lead to Jesus' death. It was interesting to see how it was show in our art work.

I understand what Christians mean when they say Jesus' death was a sacrifice

Easter tells the whole story and helps Christians believe He is always with them.

We discussed if Easter is more important to Christians than Christmas as this is where the biggest sacrifice was made.

He gave everyone a clean slate and went through a lot to prove his love for people.

It's important as it's a massive goodbye and forgives people for their sins.

Jesus and Salvation

- Christians, believe that the death of Jesus offers us the opportunity for salvation from original sin.

By dying he sacrificed himself for our sins.

When Christians accept Jesus (through the ceremony of baptism) they therefore give themselves the opportunity to be saved from sin.

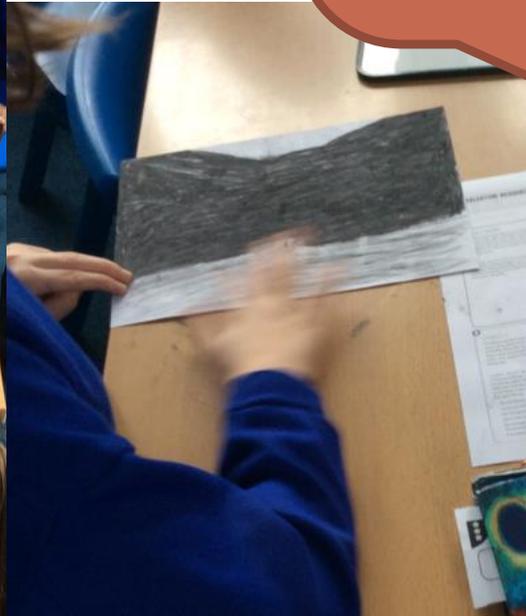

'Thus it is written, that the Christ should suffer and on the third day rise from the dead, and that repentance and forgiveness of sins should be preached in his name to all nations' (Luke 24: 45-7)

I understand why Christians believe Jesus died

Christians believe Jesus died to save them and wipe away their sins.

Sin is a burden and can be an obstacle.

We used different perspectives to understand sacrifice: Acting out a burden; looking at Jesus' teachings showing Christians how to do the right thing with a comic strip; using art work to show our interpretation of being lost then found and finally by writing down all the wrongs we have done and tearing them up to let go of the guilt.

I understand how Holy Communion is linked to Jesus' death as a sacrifice

Children and adults can take part in Holy Communion.

We looked at the different ways Holy Communion is celebrated and what the bread and wine represented.

They believe the bread represents the blood of Jesus and the bread is his body.

Holy Communion Practice and Customs

Different churches have different ways of celebrating Holy Communion.

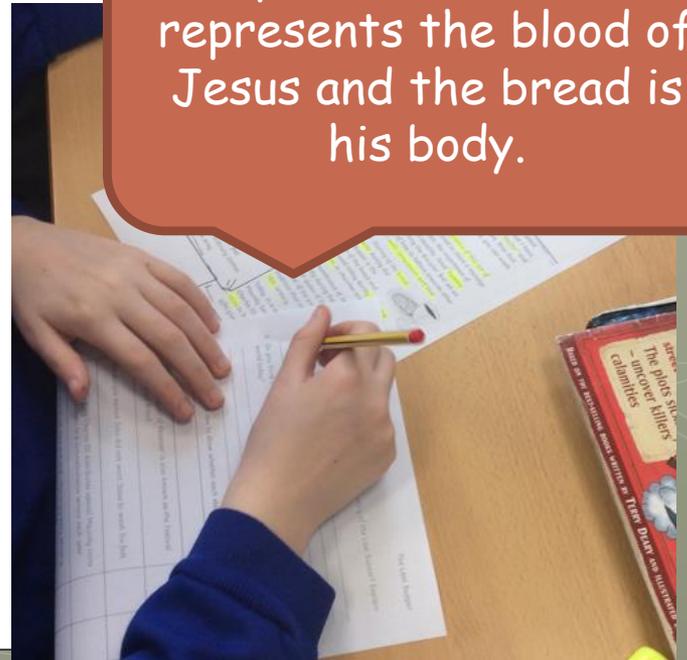

In the Catholic Church it is the Mass, in the Free Church it is the Holy Communion or Last Supper and in the Church of England it is often referred to as the Eucharist.

There are three main Christian views regarding the bread and the wine during the Holy Communion:

1. The bread and the wine change completely into the actual body and blood of Christ. This change is known as Transubstantiation.
2. Christ's presence appears spiritually, through the bread and wine.
3. The bread and the wine are symbols representing Christ's body and blood, in remembrance of his sacrifice.

In the Catholic Church, the wine becomes the blood of Jesus.

I can explain what salvation is to Christians and I understand the importance of Eucharist

Christians believe that Jesus rescued them.

Eucharist is serious and a celebration at the same time.

Why did Jesus try to save people? How? Jesus tried to save Zacchaeus when he was in on the tree. He did that by telling him to get down or else he could get hurt.
What is a sin? A sin is something that is bad that some one has done.
How do Christians believe Jesus rescued them today? Christians believe Jesus rescues us by leading us to better days and taking us away from sins.
A: I can write questions about salvation. S. Use more descriptive

The Roman Catholics don't just do it to remember Jesus' sacrifice - it is a sacrifice.
