19th May 2023

Message from Head teacher: Only one week left this half term and we are getting busier. Please check your child's bag for letters and check the dates in the diary. Class Tamar have a letter today about their residential. Please can your child return them as soon as possible. More information on the Bath residential will follow next week and we have booked a coach for the residential rather than the train due to ongoing train strikes. Please note payments for Class Lynher and Class Tamar are all now live on ParentPay. Miss Mackie is currently signed off sick and cover arrangements are in place for Class Cremyll.

Guitar Lessons

Gavin visits every Friday and provides guitar lessons to children at school. If you are interested in your child learning the guitar please contact the school or look online at My Guitar Lessons Plymouth.

Gardening Club

Wow, our allotment is looking like an allotment again thanks to all the hard work of the parent and children volunteers. This week runner beans and peas were planted. Gardening Club meets every Wednesday after school. Children attending need to be accompanied by an adult. Drop in on a Wednesday after school if you wish to join them.

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.
Places **MUST** be booked at least 24hrs in advance.

Sports Day - 26th May

Please could we have donations of cake next Friday for Sports Day. Also, if you can volunteer to help out with refreshments, please let the office know.
All children will need their PE kit, sun hat, sun cream and a water bottle.

Water Bottles

A reminder that it is water only in water bottles at school. This includes when children are attending after school clubs.

ParentPay/School Meals Debt

Please can you make sure you check your ParentPay account and pay what you owe as the account is still in debit. Thank you to parents and carers that have paid what they owe.

After School Clubs

As normal, there are no clubs after half term as we encourage families to enjoy the nice weather after school.

Class News

Class Lynher - We have done DT where we have been making a map for the B-Bots for class Cremyll to use. In history we were learning what it was like for slaves. We have been doing practising for sports day. We did all of the races to get us confident in what we are doing. In RE we learnt a story about forgiveness. By Lily

Class Tamar - In French this week, we have been learning how to spell out our names, including how to say they have a capital letter. In science, we conducted an experiment to find the magnet that had the strongest magnetic field. We judged this on how many paper clips they could lift. In DT we have started looking at kites, learning where they originated and what they were used for. We are going to continue looking into kites in computing, by researching them on the internet. By Billy & Autumn-Lillie

Class Cremyll - We have been practising for sports day next week. We have written up our science experiment about plants and in English, we have written our own nursery rhyme poems. We have also joined class Lynher who have made maps and we are going to program the B-Bots. By Hugo & Molly

Class Plym - In class Plym this week we have seen that the caterpillars have started to form their chrysalis and since it's wiggling it will soon turn into a butterfly. In PE we have been doing Sport's Day practice and had to do jumping and duck under a net. We have been creating pictures using stamps and ink. We have been writing our own rhymes - 'Humpty Dumpty sat on a chair, Humpty Dumpty went to the fair.' By Noah H, Savannah & Mali
