St.Germans 5 – Fournalanesend 2

Our second match of the season was an amazing display for the supporters who travelled to St.Germans.

We started well with some incredible passing and good movement, Ruby and Ollie showed great confidence with some driving runs down the wing, unfortunate to be hit with two quick goals, our heroes stuck to the plan, Jan, Mani and Zach worked tirelessly in defence with some superb tackles.

So unlucky to be five down at half time (as you can imagine). Second half we came out all guns blazing, Brae – not unlike Lionel Messi – controlled the game with quick passing and scored a wonder goal.

James stunned the onlookers with athletic saves that left us all in awe!

Confidence started to pulse through the team. Pushing into opposition territory, the ball was switched from side to side with such speed and skill until Jack fired a sublime shot from a tight angle, hit with such power I thought the net would burst. 5-2!

Our subs, Alissa and Noah were fantastic with their first appearance in a Fournalanesend shirt.

We played great team football, all knew their jobs, very positive and supportive of each other, well done.
