

History FLE 3/4 What did the Ancient Greeks bring to the world?

Personal development

Children see the cultural importance of history.
 Children can express viewpoints using evidence and use sources
 Children are exposed to possible careers in archaeology, museums and institutions (National Trust)

Skills

Use a time line with dates.

Use first hand sources.

Ask historically valid questions.

Forever Facts

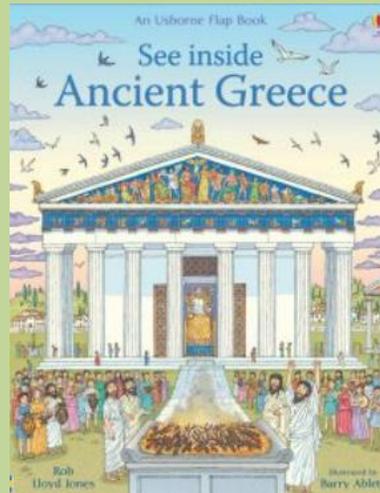

That the Ancient Greeks lived in Greece about 2500 years ago.

That the modern Olympics started in Olympia in Ancient Greece and the torch is still lit today above Olympia.

Gods and gods were important to the Ancient Greeks.

Democracy and voting started in Ancient Greece, where people can have a say in how they are governed. A key British value is democracy.

Exciting Books

Subject Specific Vocabulary

Chronology	The passing of time that can be shown on a time line.
Ancient Greeks	People who live in what we know call Greece between 700 and 480 BC.
Athens	The capital of modern Greece and home to the Parthenon.
Olympia	A small town where the first Olympic games were held.
Olympics	A global sporting event held every 4 years which started in Ancient Greece
Democracy	Where people vote for what they wish or do not wish

What I have learnt before:
Stone Age and Ancient Egyptians, Mediterranean.

Our Endpoint

Create a labelled picture of what the Ancient Greeks brought to our world.
