

***RE Which stories  
are special and  
why?***

SUMMER 2  
CLASS PLYM

# ***What is your favourite story? What do you like about it and why?***

I like the book with no pictures because it makes me laugh and it is funny.

My bed is special because it protects me from volcanoes.

The Bible is a special book for Christians and the Qur'an is the special book for Muslims. They have special stories in.

We started by talking about things that are special to us and why – Miss Gillespie showed us a special ring. Some of us shared that we had special objects such as a blanket that our mummy and daddy got us as a baby.

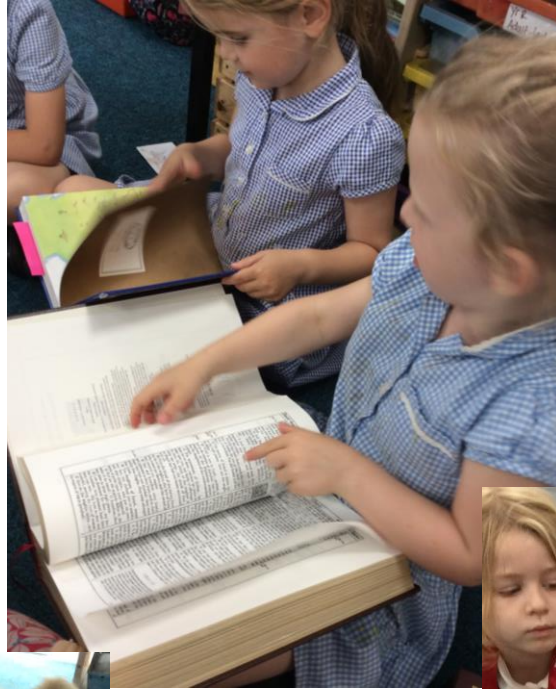

# ***I can talk about and learn some new Bible stories and say why they are important***

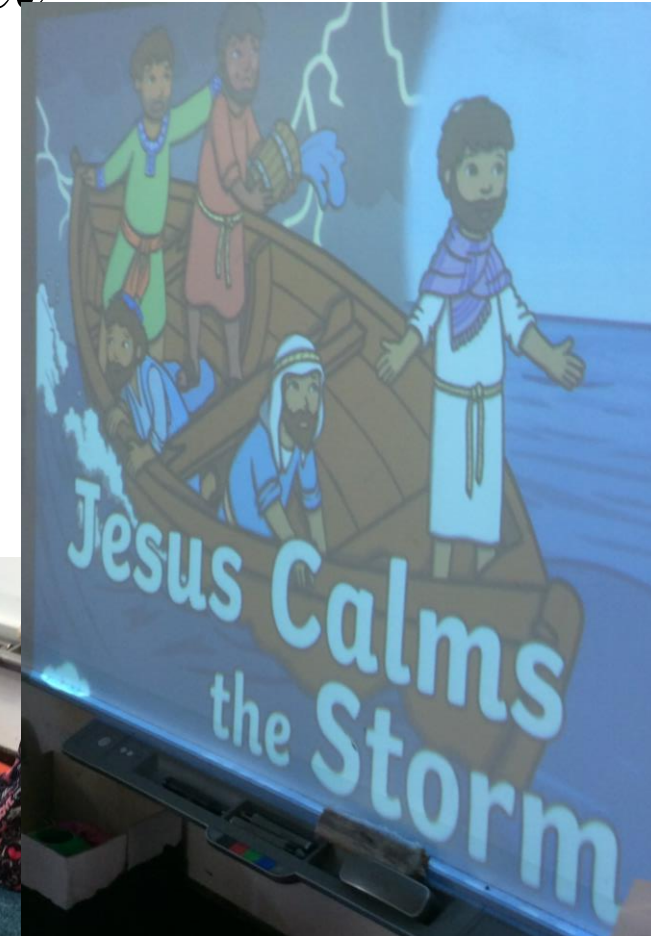

If Jesus can stop a storm then he must be very powerful

This Bible has gold pages. It must be VERY special.

This Bible has lots of words and not many pictures. It must be for grown ups.

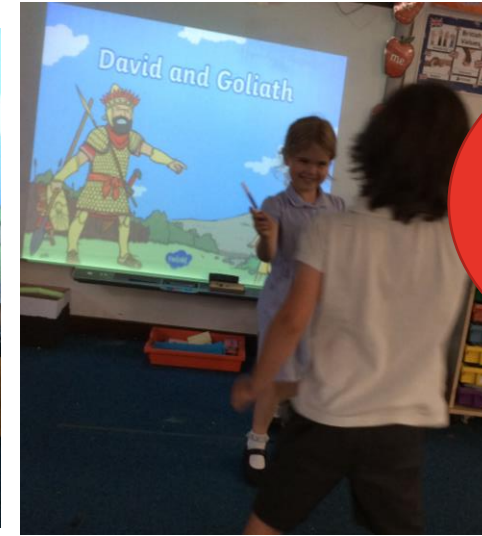

# ***What other Bible stories are special to Christians? What does it tell us about God?***

If David felt  
God was  
beside him,  
God must be  
caring.

I used my  
bravery when I  
went to the  
doctors; the  
dentist.

Brave means  
hero, saviour,  
confident,  
superhero.

God made  
David be  
powerful to  
beat Goliath.

# ***How do Bible stories tell Christians how to treat people?***

We should be kind to people even if we don't really like them.

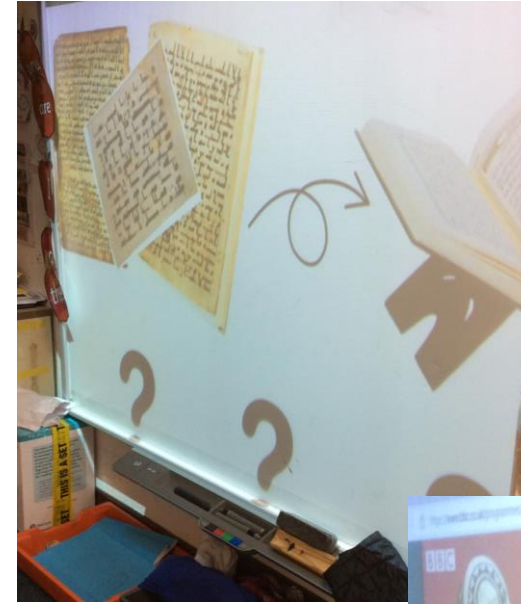

We followed a map to find pictures and then we had to decide what they all meant - they were clues to a story we were about to learn.

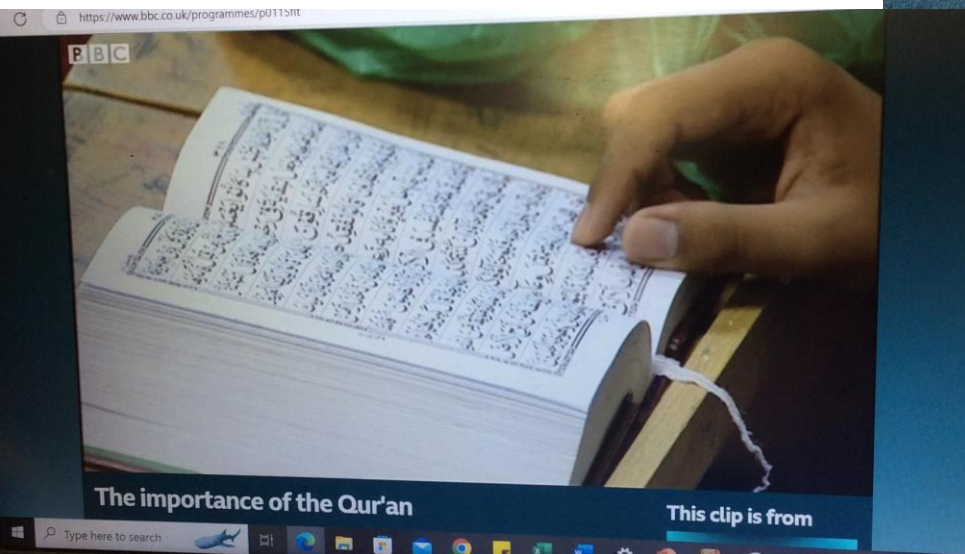

# *What special stories do Muslim's learn?*

You have to wash your hands before touching the Qur'an.

The Qur'an tells people to be kind to their parents.

We learned about how Muhammad was in the cave in Mount Hira having some quiet time when he was chosen to be the messenger of Allah.

# ***What makes a story special?***

A story can be special if it tells you to do something good like be nice to people. The rainbow fish tells you to share. The Bible stories tell you to be kind to people even if you don't like them.

Some of the stories we learnt about were good because they made people not feel alone and they made people feel stronger like when David beat Goliath.
