

School Council Meeting 11th Feb 22

Attending: IP, Coa, Rory, Maizie, Charlie, Milly, Molly, Hugo, Harriet, Neve, Louis, Ben, Billy and Lauren advising

Agenda/Minutes

- 1) Toys on the playground - how is it going? The children gave positive reports. They have given reminders in assemblies about using their school values when playing with the toys.
- 2) Picnic benches for the playground - The children discussed different fund raising ideas. Lauren commented that we haven't done a fundraiser this half term and we could do a Mufti next Friday (last Friday of the half term) as a fund raiser. This was agreed immediately and she went to the office to get it put on today's newsletter. Maizie suggested a jar fund raiser and it was agreed we could do this next half term if the Covid restrictions were relaxed. Other suggestions were: Rory - a sponsored run; Neve - a bring and buy; everyone - a summer fair. It was also agreed that we should raise money at Sports Day for benches.
- 3) Positive Play Promoters - Mrs Norton to provide training next week.
- 4) Book swap - We are going to do this as part of World Book Day.
- 5) Suggestion Box: There were a few suggestions to pass onto Mrs Cunningham about PSHE. The school council are going to feedback on Monday to the school about sensible suggestions

Any Issues raised: Shelter Box - IP. The idea is that we raise money for shelter box and encourage the wider community to do the same. We can do a display for the Rame centre window and ask Millbrook School if they are interested in being involved

Health and Safety + Safeguarding Concerns including Online-Safety: None

Date of next meeting: March 22
