6th October 2023

Message from Head teacher: All KS2 children (Classes Tamar and Lynher) have been given out a short piece from the script for our Christmas Play 'No One Wraps Like An Elf'. It will be really helpful if you could support your child by preparing a part for the auditions from the script we are sending. We are holding auditions in the week before half term so we can allocate parts. Once this is completed we can then get out the scripts for half term so everyone can start practising. We haven't forgotten Classes Plym and Cremyll, they will be performing 'Baarmy Bethlehem' which is a modern day nativity.

Weekly Reminder from our FAQs

What happens if my child is late to school?

If you know that your child is going to be late to school please call and let us know then we can make arrangements to integrate them into the classroom with the minimum disruption for them and the class.

Your child will receive a late mark in the register and these are monitored by the headteacher and the EWO (Educational Welfare Officer). If your child is persistently late to school then we ask that you work with us to address this. We ask that you book an appointment with the headteacher to discuss what we can do to support you.

Class News

Class Lynher - In science we did an experiment about dissolving. Our group wanted to see if different amounts of water affected it. It was interesting as 200ml dissolved the quickest. Yesterday was National Poetry Day. The theme was refuge. We looked at poems and talked about them with a partner. Then we wrote our own poem on the theme. In PSHE we did about rules and why we need them. We thought about what would happen if we didn't have them. For example if we didn't have rules by the pool more people would get hurt. By Theo & Eva

Class Tamar - In PSHE, we thought about what would be our nightmare school and what would be our dream school. In French we learnt the colours and in PE we have been continuing to work on our netball skills. In Wild Tribe, we made stick houses for our stick people and then we made up a poem about the houses. Finally, in RE, we have been looking at two very famous paintings depicting the Trinity and we had a go at drawing our own. By Layton & Hannah

Class Cremyll - In computing we learnt about what a keyboard is for and used a digital one to type. For National Poetry Day, we wrote autumn poems using our senses and in RE, we learnt about the Qur'an. We remembered it is a special book which they (Muslims) learn. It is written in Arabic and we made our own page with our own special words to make a class special book. By Michael & Noah.S

Class Plym - In our book 'The Rainbow Fish', his most prized possession is his scales, so we drew pictures of our own most prized possessions. In RE, we looked at the symbols in Christianity, Islam & Hinduism and then chose one to draw. In PE, we were making shapes by travelling in different directions, and with Mr M, we practised our ball skills. By Amy
