7th July 2017

Message from Head teacher: You should all have your reports which went out yesterday. Just a quick reminder if you have any concerns regarding these that we have an open parents evening on 12 July between 3.30 and 5pm. KS2 parents - your child should have a letter regarding the sleepover on the field next Friday. Please return the consent form by Tuesday. Nearer the time, we will check the weather forecasts and if it's looking fair we will be asking you to help pitch the tents on Friday afternoon. Please call the office and let us know if you have a tent we can use and how many children it sleeps. Thank you.

Message from one of our pupils - Daniel re his fundraising event

At the end of July I will be riding my bike from Ilfracombe in North Devon back to Cawsand on the 'coast-to-coast' cycle trail, with Rowan my big brother and my dad. I will be riding 110 miles which is a long way, and have been training every weekend now for 3 weeks. I am cycling this to raise money for the School Council, so they can spend it on nice things for the school. If you would like to sponsor me and follow my progress, we have set up a fundraising page at: www.justgiving.com/crowdfunding/danieltaylorseedhouse
Thank you, Daniel

We are very proud of Daniel and encourage your support, which will benefit your children!

Summer Fair

Thank you for coming and supporting the children at the summer fair on Tuesday. The children managed to raise £220.02. The money was used to buy PE equipment for use at break time and the children have been enjoying using this equipment.

Class News

Class Lynher - We did the summer fair, which was great fun. Today we are flying kites in the field. In English we have been looking at the migration of animals and distinguishing the difference between facts and opinions.
By Lidia

Class Tamar - Yesterday we went outside and played Yankee Doodle on the ocarinas. We have been re-writing newspaper reports to make them sound more interesting. By Alissa & Charlotte

Class Cremyll - We have been looking at lots of poetry and in maths we have been finding out if the person with the biggest feet has the biggest jump. We found it not to be true. By Ollie & Tirian

Class Plym - We have built a theatre! It has a stage, dressing room, box office and seating. We have also made posters advertising our upcoming shows.
