We are asking all children to bring in a toy/game/book (in good condition) that they don't want anymore. Also can they bring in some money/a donation. Class News

Class Lynher - In PE, we have been jumping from different heights and also completing circuits. We have been creating our own websites in computing and are about to write our own suspense stories in English. In geography, we have been talking about fair trade and learning where bananas and cocoa beans come from. By Charlie & Rosie

Class Tamar - In science this week we looked at what dark is and different light sources. In PE, we carried on learning hockey skills, particularly passing with control. In French we learnt 5 more animals and in geography we looked at a map of the UK labelling the country, our capital city and Cornwall & Devon. In RE, we have started our topic on Hinduism learning all about their symbol - AUM. By Kira & Colton

Class Cremyll - In science, we have been looking at seasonal changes and focussing on winter. When the temperature drops below zero, it freezes! In geography, we have been learning the names of the seven continents and looking where they are on a map. In RE, we looked at what the nativity looks like in different countries. By Mali & Michael

Class Plym - We have been learning about the Hindu festival Diwali. It is the festival of light so we made clay Diva Lamps and we will paint them when they have dried. We have also been thinking about Remembrance Day and created some poppy themed art. In PE we have been learning how to jump safely. By Niamh & Pip

School Dinners - ParentPay

Please can everyone check and clear their dinner money accounts. We have 23 accounts overdrawn with the debt totalling £557.64. Thank you to parents and carers who have paid what they owe.
