7th July 2023

Message from Head teacher: Class Lynher enjoyed a wonderful 3 day residential to Bath this week. As usual, we had very complimentary feedback on the children's behaviour from the staff at the museums, the coach driver, tour guide and the general public. Great fun was had by everyone. It's lovely to see the children use their values out in the real world. Next week please look out for the residential letters for Class Lynher and Tamar for next summer term.

FoFLES Summer Fayre - Friday 14th July

Everyone is invited to the FoFLES Summer Fayre, next Friday, 2-4pm. Parents can collect children from their classroom/s from 2pm to take them around the stalls. Please could we have donations for the tombola by Wednesday. It might be too warm for chocolate, but toiletries or such like would be greatly appreciated. **Please could we also have donations of cake on the day of the fayre.**

ParentPay/School Meals Debt

Please can you make sure you check your ParentPay dinner money account and pay what you owe as the account is still in debit. This is particularly important for children who are in year 6. If there is an overdrawn balance on any payment item this will impact on very tight school budgets. Please note that unlike primary schools, there is no 'overdraft/credit' facility on ParentPay in secondary schools; if there are no funds available school lunches cannot be ordered.

Swimming Lessons - Saltash Leisure Centre

Please see reverse of newsletter for details of discounted swimming lessons when you book before the end of July.

Class News

Class Lynher - In Bath we learnt about how the baths are naturally heated and how they can go up to 45 degrees. We liked doing the tour with Fred and finding out about the carriers people travelled in. In maths we were finding out the volume of 3D shapes and liked using the cubes to help. By Charlie & Dylan

Class Tamar - In Science this week we have been focusing on igneous, sedimentary and metamorphic rocks. We looked at real examples of each type and wrote lots of adjectives to describe their different properties and then created our own "Rock Quiz". In geography, we have been continuing our study of the Mediterranean, comparing the average monthly rainfall and temperatures to those in Plymouth. We then used the computers to research lots of facts about a variety of countries in the Mediterranean. By Ben and Sylvia

Class Cremyll - In DT, we are completing our colourful bunting by decorating the flags with applique. In geography, we are learning about human and physical coastal features. In PE, we practised tennis skills at different stations. In science, we are learning how to be hygienic. By Jack & Louie

Class Plym - We met the new Jigsaw pieces for PSHE that we will have in year 1 - Jigsaw Jack. We gave him cuddles. We did lots of activities in PE with Mr. M and had to do throwing, jumping and kicking a ball into the goal which was fun. We have been pretending to be the farm animals in our story. By Mali, Noah.S & Louise

Last Day of Term Picnic

Please can you return the slip confirming whether or not your child would like the picnic lunch on the last day of term as soon as possible.
