23rd June 2017

**Message from Head teacher:** It's been a quiet week in school with most of Y4 / 5 and 6 in Bath. We had a wonderful visit despite the heat. The children were praised everywhere we went. Their behaviour was outstanding and all the museums commented on how attentive the children were. All the staff on the visit enjoyed themselves too, we were very proud of your children and it was a pleasure to take them.
