25th January 2019

Message from Head teacher: We are all looking forward to the M&M production of Robin Hood on Monday. For all of you that have contributed towards this thank you very much. We are asking for a contribution of £2 per child, £3 per family and a 50% reduction if you have free school meals or were entitled to them within the last 6 years. If your child is sent home in spare clothes, please remember to return them to school as soon as possible as we are running very low on supplies.

FoFLES Facebook Group

We have a Facebook group for FLE parents/carers only. It is used for updates on events, meetings and school notices. If you are on Facebook, please join the group.

AFTER SCHOOL CLUB AT FOURLANESEND 3:15pm-5:30pm

Please contact the office to book a place for your child.
Places **MUST** be booked at least 24hrs in advance.

Please note, there is no Celebration Assembly on Friday 1st February.

NSPCC Number Day - Friday 1st February

Mufti day - wear something with a number to raise money for the NSPCC who provide free training and workshops that all your children benefit from. They provided resources for our PANTS day in October and are providing a free workshop for the whole school on 6th February. To celebrate this, we will be doing special maths activities throughout the day.

Whole School Attendance

This week, our whole school attendance is **88.6%**. So far this academic year, attendance is **95.9%**. Our overall target this year is that we can make it **96%**. Please help us achieve this by working with us. We can give your child Calpol or ibuprofen at school. However, if they really are unwell we will send them home. If you do keep your child at home and then they perk up, PLEASE send them to school, even just for the afternoon - every little bit helps and most importantly it makes a huge difference to your child's progress and education.

First Aid Training - Friday 15th February

If anyone would like to do an Emergency First Aid Course, here at school, with a 3 year certificate, please enquire at the office. The course covers both adults and children but has a particular focus on children. It is a full day course and the cost is £40, including refreshments & lunch.

Class News

Class Lynher - We have written newspaper reports about the Nepal earthquake. We have been up-levelling words to describe volcanoes and had a good workout during an aerobics lesson with class Cremyll yesterday afternoon. We also enjoyed our second swimming lesson. By Callum & Lottie

Class Tamar - We have been learning about the water cycle involving evaporation and condensation. In Science, we have been learning about solids, liquids and gases. We pretended to be the particles in a solid and how the structure changes going into liquids and gases. By Coa & Lilah
Class Cremyll - We have started to read the book 'Meerkat Mail' and then we imagined that we were the meerkat and wrote diary entries about our travels. We have been researching the hot climates of Spain & India and are excited about doing some yoga this afternoon. By Rose & Casey-Jo

Class Plym - This week we have been learning about the Amazon rainforest and writing diary entries of travelling the world. We created summer floral scene paintings and made collage paintings of a winter's frosty day. In maths we investigated measurements, finding taller and shorter items. By Phoebe & Imogen
