Children in Need

Thank you to everyone who donated today raising money for Children in Need. We still have some donations being added so we will let you know our total next week.

A huge thank you to Brodie for his idea in last week's School Council meeting as all the children have enjoyed playing a game of 'Joe Wicks Said' as an alternative to doing a Joe Wicks workout!

Prizegiving Trophies

Please could any trophies from the last Prizegiving be returned to school as soon as possible.

BREAKFAST & AFTER SCHOOL

CLUB AT

FOURLANESEND

7.45am-8.45am

3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

IMPORTANT - ParentPay

Since 2nd November, school dinners need to be paid for using ParentPay.

Activation letters were sent home before half term but so far we only have 43 children with activated accounts. **We also have 15 accounts that are in debt for school dinners. Please check and credit your accounts as soon as possible.** Even if your child has free school meals, you should still activate your ParentPay account as it will also be used to pay for school trips, breakfast club and after school club. **If you need another copy of your activation letter, please ask at the office.**

Sponsored Read Total

Thank you to everyone who took part in the Sponsored Read over half term. We are delighted to tell you that the **total amount raised was £1001.80!** This is an amazing achievement and along with the money from Usborne books we have £1600 to order new books for school which will benefit all the children.

Today we have sent home a leaflet and letter explaining how you can buy Usborne books to read at home or as Christmas presents.

Head Lice

There are reports of head lice in school, particularly in Class Cremyll. Please could everyone do a check this weekend and treat as necessary.

Class News

Class Lynher - We have started to write our biographies after researching a person of our choice - I have chosen the Captain of the Titanic. In Science, we have started an experiment to see in what environment mould develops using bread. We played Capture the Flag in PE and have a violin lesson this afternoon. By Ollie

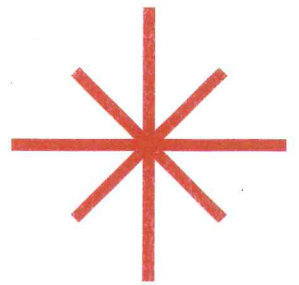

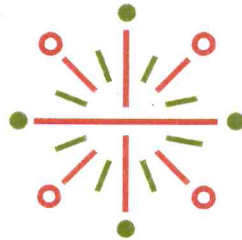

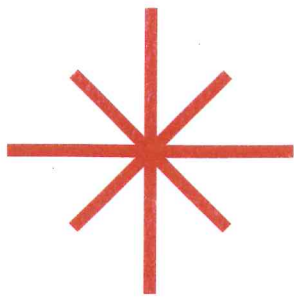

Class Tamar - We are going outside to do an invertebrate hunt to see how many we can find! Earlier this week we had to choose a bug and then write a poem about it using interesting vocabulary. In PE we played a fun game of Capture the Flag. By Rose, Erin & Neve

Class Cremyll - We played Sharky Sharky and Ice It in PE with Zoe and we made fireworks with ribbons too. We added underwater things like fish and seaweed to our woven placemats and we made fact file posters about penguins. By Joe & Reggie

Class Plym - We have been using our new weaving skills to make our own bags. We have also been using colourful ribbons to move around like fireworks ready to create our own dances. By Archie & Bobby
