16th March 2018

Message from Head teacher: As many of you are aware there is a yellow weather warning for snow this weekend. The forecast is not severe and we believe it will be business as usual on Monday. If, however, when you wake up on Monday and we are covered in snow, then please check the school website. I have staff who live locally who will alert me and a decision will be made as early as possible. Please also check the dates for the diary as we have several events coming up. Thank you all for making the effort to see the class teachers for Parent Consultation Evening –100% again!

Class News

Class Lynher - We made parachutes and did an 'egg drop' to see which parachutes protected the egg from breaking and why. We have also finished reading 'Oranges in no Man's Land' and have been writing about one of the characters who is deaf, called Samar. By Truan

Class Tamar - We have been learning about compass points in Geography and learnt the French words for different stationary. We have started to design and make our own 'cars' working in groups. Today, we are making the wooden chassis. By Talie & Grace

Class Cremyll - We had a Royal Naval Engineer come in who helped us to design our own vehicles. We designed 'wacky' vehicles and had fun thinking about different shapes such as a pineapple which sold tropical fruits, a pasty shaped vehicle which cooked the pasties on the engine, and a surf board shaped vehicle which picked people up to take them to surf lessons! We then made vehicles out of shoe boxes and today have been engineers, writing out the instructions of how to make the vehicles. By Coa

Class Yr 1 - We have been designing and making our own windmills whilst learning about wind energy. We have also been listening to the story of David and Goliath in RE. By Phoebe

Class Plym - We have been designing and building a bridge, talking about distance, safety, weight and position. In PE we learnt how to bounce a ball. We have also learnt tricky words 'was' and 'my'. By Ethan & Ava
