Tel: 822287/823859 or  
Email: [sue@wringford.co.uk](mailto:sue@wringford.co.uk)

## Homework

Information on your child's homework is under their class on the school website. If your child does not do their homework and hand it in on time, a record is made, and your child will bring home a red slip for you. We were very impressed with some of the pieces of homework that the children produced on the Eden project, a selection of the best of these are displayed in our hall. Homework is used in school and in this case each class swapped with another class and they peer assessed the work. We do expect that homework is of a high standard, again if little effort has been put in, this is recorded by the class teacher. Please ensure that your child writes in a writing pen or pencil—not felt tip/coloured pencil/crayon unless it is art work or a poster. Reading is classed as an essential part of your child's homework. Homework is an opportunity for you to share in your child's learning. If you have any questions or need any support to ensure that your child is successful in their completion of their homework, please see the class teacher.

## Class News

**Class Argyll** — We finished our story The Eye of the Wolf and were impressed by the ending. We have been learning a new song with ocarinas in music. In Dance we have been creating new moves to new music. This afternoon we have been creating digital superheroes in computing to help us to be respectful, responsible and safe online.  
By Daniel

**Class Lynher** — We have been learning about newspaper journalism. We have also been learning about Andy Goldsworthy making sculptures outside.  
By Maisie & Connor

**Class Tamar** — We have been making a salt dough model of South Africa including the mountains and highlands. In Science we have been learning about photosynthesis.  
By Alyssa & Dylan

**Class Cremyll** — We have been talking about the differences between garden plants. We have been making igloos. We took images of polar animals from the website and pasted them into a powerpoint presentation.  
By Essie & Brodie

**Class Plym** — This week we did Forest School and we were looking for bugs and slugs. In Maths we were halving playdoh pizzas. In Geography we made maps.  
By Sofia & Ben
