Pyjama Day - Friday 15 April

The school council have been approached by Torpoint Community School (our secondary feeder school) to help raise money for Just Giving Crowd Funding. One of their staff is taking part in a tandem sky dive. It was agreed that our staff and children would hold a day in pyjamas in return for a donation (suggested amount £1 per pupil). This will be held on Friday 15th April. For other school council news, please see our website.

The Tap Dancing Mermaid - Arts Council Show

Gather round for the Moon's mystical story about a tippety-top tap dancer who he has been watching at night....
Date: Friday 8 April @ 4pm

Email: sue@wringford.co.uk

Design your own Roald Dahl character: a competition for 5-12 year old

Draw or paint a picture, make a puppet or create a 3-D model - whatever takes your fancy and then wrap it up safe and send it to us at the Cowshed Studios.
Work must be inspired by but not be a copy of any Roald Dahl Character

Terms and conditions:

This competition is open to children between the ages of 5 - 12.

The closing date for entries is: Wednesday 13th April

All entries must be sent to Wise Words Festival, Cowshed Studios, Highland Court Farm, Bridge CT4 5HW with entrants covering the cost of postage.

Please include the name and age of the creator and an email or telephone number by which we can contact you.

We will treasure all entries but cannot return them.

Three finalists will be given a Family Festival Pass to include a maximum of 2 Adults and 2 children (below the age of 12). This will give you free entrance to Performances in the Family Area across the Wise Words Festival.

One winning entry will come to life and move in to The Most Unlikely of Places (our Roald Dahl inspired area) where they will join the other characters and entertain families across the second weekend of the festival. If they are not too shy they might also pop up in our marketing. We will publish images of the top 10 entries on a blog on our website.

Any questions please contact: Festival Director, Beth Cuenco beth@workers-of-art.co.uk

Or see the website:

Class News

Class Argyll — We made powerpoint presentations about the seven wonders of the world. In PE we played dodgeball which was great fun. Oscar's team won - Meryn was chief dodger and Jude chief pelter. We made up a poem for the Easter assembly and it went down very well with the audience. It was really nice to see everyone's creations in the Easter bonnet parade.
By Rosie & Peter

Class Lynher — for our homework we have been looking at how Easter is celebrated around the world. In Art we have been creating pictures using materials from nature in the style of Andy Goldsworthy. We spray-painted our collages. We had a lot of fun creating our Easter bonnets and enjoyed taking part in the parade.
By Ellie & Molly

Class Tamar — We did Beach Tribe and we built a fire and toasted marshmallows and we made hot chocolate with Kelly kettle. We extracted our fossils which we had made out of clay. We had our Easter bonnet parade and we had an Easter egg hunt.
By Alissa & Charlotte

Class Cremyll — In Maths we have had lots of fun with water to measure different capacities. In English we wrote letters to Mr & Mrs Oatey thanking them for giving us the eggs which hatched into chicks last week. In PE we've been practising our racket and ball skills and small point balances. In Science we learnt about food chains and in particular food chains of animals in the polar regions.
By Ben & Essie

Class Plym — We went to the aquarium and we saw Marina the mermaid and lots of fish and sharks. We saw Snorkel the turtle from the Great Barrier Reef. We did the parade showing our Easter Bonnets which was fun.
By Corin & Tirian

E-Safety Update 12

Parents

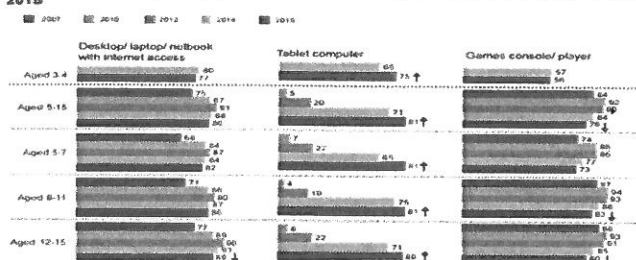

Ofcom publishes ten-year anniversary edition of its latest research on how children and young people aged 3-15 use and think about media and the internet:

Every year Ofcom asks lots of children across the UK about the devices they have and what they use them for. Ofcom splits the results into four age groups: 3-4 year olds; 5-7 year olds; 8-11 year olds and 12-15 year olds for example.

Children and parents: media use and attitudes report

Figure 7: Availability of key platforms in the home, by age: 2007, 2010, 2012, 2014 and 2015

OP30/EH/V1 – I'm going to read out a list of different types of media devices that you may or may not have in your home, and which your child may or may not use (prompted responses, single-coded)
 Base: Parents of children aged 3-4 (666 in 2015) or 5-15 (1379 aged 5-15, 399 aged 6-7, 492 aged 8-11, 488 aged 12-15 in 2015) - significance testing shows any change between 2014 and 2015.

The report is published every year and results are compared to previous year's results to identify what has changed.

The Breck Foundation has been set up in the memory of Breck Bednar (a 14 year old from Caterham, Surrey who loved technology and online gaming) to help other young people to enjoy playing online but to be aware of some simple rules to stay safe. Remembering that the friends you make online are not like your real friends. "Play Virtual/Live Real".

- **Beware**—Opening files, accepting emails, IM messages, pictures or texts from people you don't know or trust can lead to problems - they may contain viruses or nasty messages
- **Report**— Tell your parent, or trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied
- **Educate**— Someone online might lie about who they are and information on the internet may not be true. Always check information with other websites, books or someone who knows. If you like chatting online it's best to only chat to your real friends and family
- **Communicate**— Meeting someone you have only been in contact with online can be dangerous. Only do so with your parents or carers permission and even then only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time
- **Keep Safe**— Keep safe by being careful not to give your personal information when you are chatting or posting online. Personal information includes your email address, phone number, password, location

Tragically Breck was murdered on February 17th 2014 by someone he met online.
