8th November 2019

Message from Head teacher: Exciting news! Rhino will start work on our new trim trail on Wednesday. This area will be completely fenced off and the children will need to enter and exit school through the main door (wet/windy weather routine). It should take about 2 weeks to complete. It will be lovely for the children to watch the removal of the old equipment and the construction of the new.

School Starts at 8.55am

A reminder to everyone that the school day starts at 8.55am. Some children are regularly missing Wake and Shake which is an important part of the school day.

Lunchtime Assistant Vacancy

We have someone who is able to work two days a week but we still need someone else to cover the other days. Teachers are currently covering at lunchtime which is impacting on their time to mark books! If you are interested in this position, or know anyone else who is, please ask at the office.
