**Message from Head teacher:** This week the whole of KS2 took part in a workshop with Primary Futures on tackling gender stereotypes which supported the work we cover in school as part of our PSHE curriculum. Class Lynher spent the day participating in the 8 billion ideas challenge from the charity The Lions. The problem they were looking at was the traffic issues outside the school. All of the class worked particularly hard and had some fantastic, innovative ideas. Congratulations to the winning group - IP, Toby, Pearl and Maizie. From the work completed they have submitted an entry to the competition. There will be more to follow on this issue - watch this space.
