18th January 2019

Message from Head teacher: In the unlikely event that we have snow/extreme weather conditions this year please be aware of our procedures. My chair of governors and I will track the weather forecasts carefully. If we get a forecast as bad as we had last year, we will do as we did last year and close the school. Our website will clearly say on the home page if the school is closed and for how long. We will also report it on our FoFLES Facebook page (see below), local radio and the council website. As we said last year, please check BEFORE embarking on the school run in hazardous conditions.
