16th October 2020

Message from Head teacher: Just one more week to go before half term. It has been a very busy start to the school year with so many changes. Thank you all for your continued support. We are very proud of Lilah in Class Lynher who has an article published on Comic Relief Red Noses in the children's paper First News. We have also received a Gold Impact Award from 'Picture News' for the school campaign on single use plastic red noses and the difference we have made. Picture news is used here and in many schools for assemblies. They had contacted us and we had given them an exclusive, so next week our story will be shared in 1000's schools across the country!

Scratch Coding Course

Free learning opportunity! As a result of the Covid situation Family Learning is offering you and your child the chance to join our online 'Scratch Coding' course. The course is free and open to parents and carers of primary aged children who may want help with teaching their child at home.

- The next courses start after half term on Monday 2nd November at 3.30pm or Tuesday 3rd November at 10am.
- You can learn as a parent or work together with your child.
- You will learn simple coding which is a subject all children learn at primary and secondary level these days.
- This 6-week course will take you from a beginner to making a computer game in easy steps.
- It is great fun and a long term benefit to you and your child.
- You will need access to a computer, a PC or MAC with a camera and sound. Tablets are OK but a proper keyboard is easier.
- If you don't already have them, you will need to download Zoom and create a Scratch account. Both are free.

If you are interested, please can you contact the office. For more information, the tutor, Ian Barnes, is available on 07811 179401.

Class News

Class Lynher - In French we have been learning how to say what we would like to do when we are older. We have finished writing our Fables and have also been sewing our own poppies. We played rounders in PE and have another violin lesson this afternoon. By Antony & Alanna

Class Tamar - We were given a picture of half a butterfly and had to draw the other half, making sure we chose the appropriate colours. We have been learning about living things and their habitats and made a classification key. We also played rounders in PE. By Jasmine, Ashton & Neve

Class Cremyll - This week, we finished the Bog Baby story and we decided it was telling us that we should protect wild habitats. In our Science, we learnt about different microhabitats where different mini beasts live. We were real scientists collecting data and we made a pictogram. By Billy & Ben

Class Plym - We made Bog Baby biscuits, decorated them and ate them they were delicious! We did egg and spoon races in PE as well as relay races, practising to pass the baton. We have been looking at different religious symbols and talking about belonging to different groups. By James & Archie

Kingsand Village Store Halloween Colouring Competition
