The sessions will be at Saltash.net Community School on Friday evenings, starting 10th May, 6-7pm on the astro. You can call and book over the phone: 01752 562561 ext 4 or ext 162, or ask the school office for a form.

### Advice regarding ticks

We make best use of our school field and we are aware that very occasionally children get ticks from there. We have contacted the school nurse team for advice on what to do if you find a tick on your child. Their advice is to go to minor injuries or the local surgery to have the tick removed professionally. However, they do say that there is information about ticks and removal of them on NHS Choices online. **Please note we will not remove ticks in school.**

## AFTER SCHOOL CLUB AT FOURLANESEND 3:15pm-5:30pm

Please contact the office to book a place for your child.  
Places **MUST** be booked at least 24hrs in advance.

### Guitar Lessons

We have a qualified guitar instructor with excellent references able to offer guitar lessons for KS2. He can offer individual lessons, or in pairs. In order for him to be able to start, he needs at least 7 children DEFINITELY wanting to have lessons. **To find out more about Gavin, and what he is able to offer, have a look at his Facebook page - My Guitar Lessons Plymouth.** If your child is interested, please let the office know ASAP.

### Class News

**Class Lynher** - The year 6's have been working hard for their SATs. We have painted self portraits and written acrostic poems - thinking of words to describe ourselves using the letters in our names. We are also doing PE this afternoon. By Grace & Harrison

**Class Tamar** - In PE we have been practising for sports day and doing lots of stretches so our muscles don't hurt. In Science we have been grouping things into 'plants' and 'animals' using Mrs Gren - the seven life processes of living things. By Lilah & Joe

**Class Cremyll** - In gymnastics this week we looked at balance and different ways to travel along a bench. We made Viking longboats as part of our history topic and then wrote diary entries as if we were Vikings for a day. By Molly & Caleb

**Class Plym** - This week we have enjoyed exploring and learning about the different ways people can travel. We have been Viking soldiers travelling on our longships to find the treasure chest. We learnt how Vikings travel and where they travel to. Also this week we practised our balance and coordination, exploring different ways of moving. By Henry & Lydia

### Help needed

Our allotments need digging over! We have artichokes, carrots etc growing and would be very grateful if any parents could spare any time to dig them over so we can plant in the Summer term.

We also have a large tree that has blown over and uprooted. If anybody would like any wood, you are more than welcome to arrange with Mrs Norton to come up and chop some wood for your own use.

### Gate at Top of School Field

We have a gate at the top of the school field which can be unlocked. If anyone would like to use it for drop off/pick up, please let us know in advance so we can make sure it is unlocked for you.
