12th October 2018

Message from Head teacher: Just a reminder of wet/windy weather procedure for the beginning and the end of the day. In the event of poor weather conditions we will use our main door rather than the gates. In the morning we ask that you bring your children straight in through the main door when you arrive. For collecting your child at the end of the school day, we ask that you use the main door again and collect the children from their classrooms. The main door will be manned at all times by staff.

Next Week

In our PHSE lessons throughout the school, next week, we will be discussing the NSPCC's PANTS rules. These are designed to teach pupils how to stay safe from sexual abuse, without giving explicit information or telling scary stories or even using the term "sexual abuse". In the lesson, children will learn about the 'PANTS' acrostic which stands for:

- Privates are private.
- Always remember your body belongs to you.
- No means no.
- Talk about secrets that upset you.
- Speak up, someone can help.

The lesson will be fully age-appropriate. More information about talking PANTS, including a short film and a parent guide can be found at nspcc.org.uk/pants.

Social Media Warning

We are aware that some children are using and posting on the social media site TikTok (formerly Musically). These social media sites are not for children under the age of 13 and therefore nobody at school should be using them.

Uniform

A reminder that leggings are not a part of our school uniform. Tights should be either black, grey or white.
