Toys/Pencil Cases

Please note that we provide everything your child is going to need in school. Therefore, we do not allow pencil cases and pencils/pens from home. Also, we do not allow toys in school unless your child is bringing in something that is linked to the topic. If this is the case, it needs to be labelled and passed to the class teacher.

Topic Immersion Zone

We are transforming class Tamar's old classroom into a 'topic immersion zone'. We have asked the children what they wanted in there and they have come up with: a research centre, a dressing up zone, a Victorian school role play area and a Victorian detective area (think Sherlock). We need your help to achieve this, if you have any artefacts (that are not delicate and priceless), clothes or useful items we could borrow, please see a teacher. We are hoping to have this up and running by the end of September. Many thanks.

Whole School Homework

To coincide with Roald Dahl Day, the whole school need to draw or write about an imaginative dream in their dream jar (see additional sheet). This is due in next Friday 16th September. Please aim for a high quality finish as we would like to use them for a display.

Help Please!

We desperately need some help with handy work around school (strimming, Plym garden needs attention, a lock needs replacing etc). If you can help, please let the office know. We would be very grateful!

A letter/consent form has been sent home today. **Please note that the cost of the Argyle club is being funded by the school so you do not need to send in money with the consent form.** All other clubs will begin Monday 19th September. You will receive a club letter next week. If you wish to run a club please let us know by Tuesday 13th September, so that we can add it to our list.
