28th January 2022

Message from Head teacher: Thank you so much for your ongoing vigilance regarding Covid, it is helping us keep the school running efficiently. This week we have had 3 cases in one class (not enough for a cluster). We appreciate that many of you are testing according to the guidance. If anyone has been in contact with someone who has a positive test it is advised that you take a LFD daily for a week. Also please remember that if you take a LFD and it is positive AND you have symptoms then you still need to take a PCR test too.

The Platinum Pudding Competition

Would you like to see your pudding creation served up at street parties and other celebrations up and down the country? Fortnum & Mason is inviting you to invent the Jubilee Pudding for The Queen's Platinum Jubilee in 2022. The winning pudding will be an important part of the celebrations marking Her Majesty's 70 years as Monarch. And the creator of the winning pudding will be invited to be at the centre of the celebrations.

Get cooking, and your creation could be a joyful and delicious part of the first ever Platinum Jubilee. The competition is open to all individuals over 8 years old. The closing date is 4th February. For more details and for information on how to submit your entry visit: www.fortnumandmason.com/platinum-pudding

Lost Property

Finlee in Class Plym has lost a navy blue pair of jogging bottoms. They are new and have his name in the label. Please could people check at home as we can't find them in school. Thank you.

Class News

Class Lynher - We practised our dribbling skills in handball and have written witness statements as if we were Baby Bear in Goldilocks - we could choose the modern or original version. We have made posters about the benefits of exercise and a healthy diet. We have also been practising our songs in music. This afternoon we are finishing our wire flower sculptures. By Megan & Sage

Class Tamar - In science, we have been learning about the different teeth that carnivores, herbivores and omnivores have and why. We have been planning our experiment using eggs and different liquids like coke, milk, juice and water to see the affect they have on the egg shell, just like the enamel on our teeth. In PSHE we built different things out of Lego that reflected our learning in some way, with the focus on team work. By Tara & Henry

Class Cremyll - We have finished our class story - The Midnight Gang and also finished our success treasure chests. Some of us chose to complete the jelly bean challenge in independent learning and In English we have been using expanded noun phrases to describe our new story The Little Boat. By James, Mostyn, Maya & Jock

Class Plym - We have made surrealist portraits using collage and stuck eyes on our mouths to make them look funny. We discussed the properties of everyday materials and learnt the meaning of opaque and transparent. By Hugo & Sidney

Dinner Money

Please check and clear any overdrawn dinner money accounts on ParentPay. We currently have 21 overdrawn accounts with a debt totalling £471.20.
