18th June 2021

Message from Head teacher: We are very excited to have been told we are allowed to schedule in a Sports Day for every class. You will be receiving a letter with all the details. You are invited to come and support, however it will be strictly 2 tickets per family and you will be asked to keep socially distanced from other parents and carers. We are also able to hold a KS2 sleepover, again, a letter will follow with all the details. Please see below for dates.

Dates For Your Diary

- Tues 7th Sept** - Back to school.

Torpoint AFC Mini's

TAFC Mini's are looking for new players for the upcoming seasons. They are also looking for volunteers to coach the older age bracket if anyone is interested:

Learn fundamental football skills whilst having fun with your friends! Age 4-7 years, term time training sessions, £13 per month, 2 FREE taster sessions. Saturdays 9-10am.

Email - secretary.tajfc@gmail.com
Phone - 07942 886884 (Eleanor).

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.
Places **MUST** be booked at least 24hrs in advance.

Message from Permaculture Kernow

It's great news parents are now getting involved as our aim was to help get the Polytunnel, watering system and raised beds to a workable level so Fourlanesend children, staff and parents could then use them again. **Our next work afternoon will be Saturday 19th June 2-4pm. All welcome and any plants also welcome (veg, fruit bushes, herbs, perennials).** If any parents and children would like to make a hedgehog hotel, (design attached) we will bring a couple of hedgehogs to the field by the end of June with an outdoor camera so school can monitor wildlife movements.

Please contact the office or Mostyn's Mum if you would like to be part of the rota for watering the garden.

Class Tamar Knowledge Organisers

Please check the website to see this term's knowledge organisers. They have been uploaded to the Class Tamar section.

ParentPay

We currently have 22 overdrawn lunch accounts totalling £528.31. Please could these accounts be put into credit asap. Thank you.

Air Raid Shelter

If anyone is interested taking over the project of helping to convert the air raid shelter into a music room, please let the office know.

Class News

Class Lynher - We each made 3D sculptures of people using clay and played cricket in PE. In English, we started to watch The Little Freak and then predicted what we thought was going to happen. By Felix, Corin & Megan

Class Tamar - We have been learning how volcanoes are formed and have labelled the different parts of a volcano. We have been practising our dictionary skills this week and are excited to do our experiment - finding out which material will soundproof a shoebox. We also played cricket in PE. By Matilda & Caleb

Class Cremyll - We used magnifying glasses to look at the wild flowers in the field in much more detail. We were able to see the shapes of the petals and the hairs on the leaves. We were really excited to see how much our garlic bulbs and radishes had grown and are even more excited to take them home on Monday. By Colton & Jess

Class Plym - We have been finding flowers and using magnifying glasses to study them closely and then drawing them in detail. Using Scratch, we made our own characters on the computer and also used the bee-bots. We enjoyed our own Olympics in PE. By Archie & Alma
