Class News

Class Lynher - The year 6's have been practising their performance for Prize Giving and had a great day out at Clip and Climb and the cinema. We all really enjoyed it. We undertook a mould experiment by placing bread in different environments around the school to see how quickly mould would grow. We have also been practising for our festival performance. By Kacie & Jack

Class Tamar - We went to Camp Kernow and enjoyed archery and rock climbing - the wall was 6m tall! We also did den building and cooked our own food. We harvested and chopped up cucumbers, tomatoes, lettuce, chives and beetroot. We have made sausage rolls for the festival and played French cricket. By Coa, Alanna & William

Class Cremyll - Using different art techniques, we have made props for our performance at the festival today. We have also designed, made and tasted different dips which we all really enjoyed. In RE, we looked at different Hindu deities and produced fact files about them. By Lily & Ashton

Class Plym - We have baked yummy cheese twists for our festival and enjoyed Wild Tribe on Tuesday, especially toasting the marshmallows! During this week, we have planned, created and tasted our dips for our party. We made recipes and used amazing descriptions for our dips. By Eva & Millie
