6th December 2019

Message from Head teacher: Next week is action packed! All the information has been sent out in letters or on the newsletter. It ends with our Christmas/Winter Jumper Day on the Friday. All children are invited to come in mufti wearing a seasonal jumper for a £1 donation for Save the Children. At 2:30pm you are all invited to join us for carols in the school hall. Please bring your purses as FoFLES will be holding a raffle and selling refreshments.

YPTE - Young People's Trust For the Environment

The Young People's Trust for the Environment (YPTE) has produced some information sheets for parents about climate change, why it is such an important issue and how it may effect you and your children. The information leaflet can be downloaded at ypte.org.uk/downloads/climate-change-for-parents.

The information sheet provides two links to YPTE's website, with one enabling parents wishing to find out more to access more detailed information about climate change and the other giving some suggestions for simple actions you can take to reduce the environmental impacts of our daily lives.

Class News

Class Lynher - We learnt about shadows in science and the effects colour, thickness and distance has on shadows. We learnt the vocabulary for shopping in French. We made baubles for our Christmas tree in the hall and in PE we recapped all of our football skills we have been perfecting this term. We have also been practising for our play and can't wait to perform it next week. By Elyse & Harrison

Class Tamar - In geography, we have been learning about rivers, seas, mountains & hills around the UK. We have written a non chronological report about the Stone Age. We have been practising for our play and singing our hearts out in choir for the Mt Edgcumbe Christmas Fair tomorrow. In PE we have been perfecting our football skills by dribbling and throwing the ball and increasing our speed. By Rose, Tayla, Lauren & Neve

Class Cremyll - We have all been practising really hard for our Christmas performances this week. In English, we have planned and written our own versions of 'Maximus and the Beanstalk' story. In PE we played a great agility game based on travelling from one continent to another. In PHSE we thought about what makes us the same but then what makes us unique. By Emilie & Marcus

Class Plym - This week we have been practising our nativity performance and cannot wait to show you all. We have started our class book, continuing with the Julia Donaldson theme and have been out in the garden searching for Spinderella. By Henri & Archie
