**Message from Head teacher: Teachers at Foulanesend are not striking and therefore school is open on Wednesday.** Thanks to everyone who has donated filled jars for the school fill a jar fundraiser. We have made £190.20 in a week and all the children have received something. It has been lots of fun and the money raised is to go towards a second new picnic bench for the playground.

### Landrake Inter School Cross-Country Run - Friday 10th March

The annual cross-country run for **KS2** children takes place at Sir Robert Geffery's School, Landrake. Between five and six hundred children from about thirty schools usually take part. The course, some three 'Cornish' miles, is billed as the hardest, dirtiest, wettest but the most interesting in Cornwall. It starts and finishes at the School and takes in lanes, fields, woods, hills and a salt marsh. If you complete the course and are still dry, you've gone the wrong way! You are advised to bring something suitable for the journey home to sit on. Parents are welcome to run, at no charge, with their children. If you wish to participate, we need to register numbers in advance so please let the office know by 24th February.

### Trading Cards

Polite reminder, no trading cards in school please e.g. Pokémon, football cards etc.

### Class News

**Class Lynher** - In RE we were looking at what is important at Christmas to Christians compared to non Christians. In geography we looked at the eight compass points and we have started our poetry unit in English. In PE, we have been practising our under and over arm in badminton as well as disco dancing with Daisy. By Sage & Phoebe.D

**Class Tamar** - In French this week, we have been learning how to say I like, I love, I hate and I don't like different types of food. In RE we have designed and decorated our own prayer mats and in PSHE, we have been talking about how we can create new dreams if perhaps our original dreams don't work out. In science, we have been measuring each other to find out if we are a square or a rectangle and then plotted the results on a bar chart. By Maya & Will

**Class Cremyll** - We enjoyed reading the letters from our pen pals and also did rock n roll dancing in PE. We did a show and tell of our favourite toys and wrote profiles about them. We had a few visitors to the classroom to talk about their childhood toys and we typed questions on the laptops to ask them. By Alfie, Hugo & Michael

**Class Plym** - We've been using scales to do weighing and find out if things are heavy or light. We made play doh with water, flour, food colouring and salt. Some of us went on balance bikes and we had to wear a helmet. We have also written a shopping list for what we would like on our pizza. By Noah H, Noah S, Sam & Lola
