Class News

Class Lynher - In PE we have been playing tag rugby and learning how to pass. We are starting to learn all about forces in science and in French we have been learning the words for different family members. By Corin

Class Tamar - We have been learning about the different types of rocks and played bucket ball in PE. In PHSE, we discussed different jobs that we associate with men and women. By Marcus & Morgan

Class Cremyll - We're enjoying the story of Little Evie in the Wild Wood and we have left it on a cliff hanger! We have also enjoyed playing football in the playground. In Music, we learnt a new song about Little Red Riding Hood and then we listened to Cinderella's waltz and we heard violins playing - it was really speedy music and it was great fun. By Maya & Lydia

Class Plym - We have been printing pieces of numicon to count in 5s (sorry about the messy uniforms). We have been on the scooters and bikes and practising driving on the playground lines. By Kira & Finlee

Closure of Little Monkeys

As many of you may be aware Little Monkeys Pre-School has announced its closure as of 29th April. As there is a lack of early years places in the area we have liaised with the local authority and governors have agreed that we will offer places here to support early years education in the area. The places are being strictly offered to only the children who are due to start here in September and attended Little Monkeys or an over subscribed Pre-School. The children who are in Class Plym have been sent a letter about this today.
