Mothering Sunday - 19th March

Everyone is invited and will be very welcome at St Andrew's Church, Cawsand, at 11am on Sunday 19th March for the Mothering Sunday Service. This is a special service for all ages.

Why is it called Mothering Sunday?

Children and young people who were "in service" or servants in the big rich houses were given a day off that Sunday in the middle of lent so they could visit their families (or, originally, return to their "mother" church). The children would pick wild flowers along the way to place them in the church or to give them to their mothers as gifts. Eventually, the religious tradition evolved into Mothering Sunday. We will have daffodils to give to all mothers, grandmothers and friends or just take away.

Class News

Class Lynher - We played dodgeball and hockey in PE and have looked at how and why we use maps in geography. Yesterday, we had an artist from Maker visit school and we made clay pots. In April, we are going to go up to Maker and fire them. Year 5 went to Liskeard Fire Station on Wednesday to learn lifeskills including first aid and safety around train tracks. By Phoebe.D, Oscar & Maisy

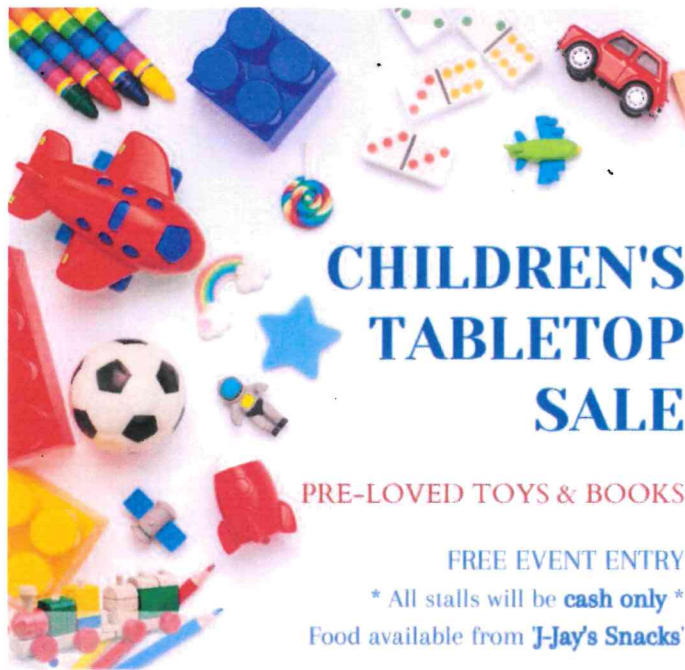

Class Tamar - In PE this week we continued with our circuit training, specifically working on our core muscles. In geography, we have been learning how to use a key in reference to maps and floor plans. In preparation for our Easter assembly, we have been preparing a whole class 'senses' poem. We have also enjoyed some fun activities in celebration of Comic Relief today. By Sylvia & Oliver

Class Cremyll - We have completed a science experiment this week about absorption and wrote the experiment up. We have written letters and a log for our new book 'Toys in Space'. We had a frisbee lesson in PE and also designed our slider pictures in DT. By Alfie, Hugo & Molly.

Class Plym - We have started our new story 'The Three Little Pigs'. We have been painting the pigs' houses and re-telling the story. We have also been practising bouncing balls. We have to look at the ball, because if we look away, it will bounce away. We have been talking about why hot cross buns are significant to Christians. We then used hot cross buns in our maths to work out how long they needed to be toasted for. The first one got burnt because it was in the toaster too long. We found out that one minute is the perfect amount of time to toast them. By Louise & Sam

Maker with Rame Community Orchard Update:

Spring is in the air and you are all welcome to join our Cawsand Orchard team this Saturday 18th March (wet weather gear as weather is looking showery).
