Message from Head teacher: We are unbelievably busy at this time of year. Please help us out by reading the letters, dates and arrangements for our performances and events. It was lovely to have Sue Westwell join us to practise the singing with our choir for Mt Edgcombe next weekend. We are delighted that she will be back in on Wednesday to help us polish our performance. Looking forward to seeing you all at the Bingo next week!

Football Match Report

On Monday, we played our first football match of the season, away, against Antony. We were nervous for the first game but we all had a turn on the pitch, with some players making their debut for the team. We all played brilliantly, with Jack & Mani deserving a special mention for their excellent defence and Jan & Oli for scoring the goals - we won 5-2! Big thanks to Matt, Andrew & Nick for their coaching every week.

KS2 Costumes

You should have received a slip yesterday about the costume your child needs for the play. It is set in Victorian times so similar to when we had the Victorian Day. Please can they be brought in to school by next Friday. If you have any issues, please let us know.

Class Lynher - We are finishing our DT project - sewing our pouches together. Yesterday in Dance we showed everyone our duets and we have been auditioning for Songfest. We have been working in pairs to figure out the volume of shapes and enjoyed gymnastics in PE. By Lizzy & Sky

Class Tamar - We have just started to read 'The Hodgeheg' and are writing paragraphs about the setting. We have been doing some team building exercises and in RE we have been comparing two different stories about the birth of Jesus and had a class debate about it. By Lilah & Taylor

Class Cremyll - We designed and then made rafts for the explorer Antony Jinman to cross an icy river. We then tested them for durability to see if they would hold a weight. We wrote our own versions of the story 'Lost & Found' but changed certain aspects of it like characters and setting. In Maths, we have been adding two digit numbers. By Sage & Molly

Class Plym - This week we have designed and made model ice rafts for Antony Jinman's exploration to the South Pole. We have written our own polar stories, going on wonderful adventures with our polar animals. Foundation have been ordering numbers 1 to 10 and year 1 have been finding the difference of numbers. Thank you to everyone who bought raffle tickets for our gingerbread raffle, last week. We raised £70.20 which will be put towards our quiet outdoor reading area.
