22nd June 2018

Message from Head teacher: Bug Busting weekend! Please can you check and treat your child/ren for head lice this weekend. If EVERYONE does this, it will help eradicate them from school. It is very frustrating for parents and children if they are treated and the following day they return from school only to be infected again. We have sent home a leaflet regarding detection and treatment which is also available on our website under 'support at home'. If you have any concerns, please don't hesitate to contact us.

Class News

Class Lynher - We have played rounders with Jack & Ollie as captains and also played tennis. We continued to learn the names of musical notes with Mrs Down and also learnt a new song. We had an author speak to us in assembly who has written a book about the dangerous effects plastics can have on wildlife, including balloon releases. By Daisy, James & Jack

Class Tamar - We have been learning about pets and animals in French. We have done a writing exercise about how to look after a Miptor. We have played tennis, learning how to serve the ball. We are also playing rounders this afternoon as well as making collages. By Brodie & Kacie

Class Cremyll & Yr 1 - We have been on the field creating art using 'nature's pallet'. We have been finishing our posters about recycling and also making posters about the seasons and which months are associated with which season. In PE, we are learning skills to be able to play rounders. By Jack & Mia

Class Plym - We have been exploring nature's pallet of colours. We found lots and created pictures inspired by summer. We have caterpillars! We are watching them and keeping a diary to see what happens over the next few weeks. We have also been thinking about moving on to year 1 - just like Cody the Caterpillar moved on to being a butterfly. We have made butterflies including special things about us. By Oscar, Henry & Ava

School Uniform Order
