14th July 2017

**Message from Head teacher:** Everyone is warmly invited to Prizegiving next Friday at 1pm. This is a celebration of the year and a farewell to our Y6. Following Prizegiving you are welcome to take your children home. Thank you all very much for all your kind words on the reports slips. They were much appreciated by all the staff. Also thank you all very much for your support throughout the year and help in making Fourlanesend a great school. Wishing all Y6 families a fond farewell and looking forward to seeing you all back in September. Enjoy a relaxing summer!

### Message from one of our pupils - Daniel re his fundraising event

At the end of July I will be riding my bike from Ilfracombe in North Devon back to Cawsand on the 'coast-to-coast' cycle trail, with Rowan my big brother and my dad. I will be riding 110 miles which is a long way, and have been training every weekend now for 3 weeks. I am cycling this to raise money for the School Council, so they can spend it on nice things for the school. If you would like to sponsor me and follow my progress, we have set up a fundraising page at: [www.justgiving.com/crowdfunding/danieltaylorseedhouse](http://www.justgiving.com/crowdfunding/danieltaylorseedhouse)  
Thank you, Daniel

*We are very proud of Daniel and encourage your support, which will benefit your children!*

## Class News

**Class Lynher** - We are looking forward to our sleepover on the school field tonight. Yesterday, we practised our rounders skills concentrating mainly on fielding. In science, we have been investigating in what conditions mould grows. By Romilly & Harriet

**Class Tamar** - In RE we have been focussing on what is spiritual about Cornwall. In science, we have put eggs in different liquids to represent what different liquids do to the colour of our teeth! Yesterday, in the hall, we did a human enactment of the digestive system. It was great fun. By James, Jack & Evie

**Class Cremyll** - Yesterday, we had a day learning all about germs and did some fun experiments. We have also demonstrated our maths understanding by using natural resources to show how we worked out a sum we were given. We have also been working hard on our 'Imagine If' poems. By Reece & Ben

**Class Plym** - This week, we did beach tribe - we found a message in a bottle which led us to a treasure chest. We found lots of pants! We had time to make hot chocolate and toasted marshmallows. We all enjoyed transition afternoon and are looking forward to fun times in September. By Charlie & Jack
