13th March 2020

**Message from Head teacher:** Please see the additional information sent home about the Coronavirus. I reiterate, if you are concerned that you/your children have been exposed to it please let us know immediately. In case of school closures we have put together a pack for every child, however it would also be helpful if you could complete the form about any ICT your child has access to at home. Hopefully our play surface for the equipment will be completed today. The children are all looking forward to playing on the equipment next week.

Easter trail in Mt Edgcumbe Country Park. Start time: 12.30pm. Last registration: 3pm. £3 per child, includes an egg. Stretch your legs whilst looking for hidden clues around the park. For more information visit [www.fomecp.org.uk](http://www.fomecp.org.uk).

## School Dinner Menu Next Week

Due to the uncertainty of what is happening regarding possible school closures it has been difficult for the kitchen to place orders as we do not want food wasted. Therefore, the menu next week is subject to change on a daily basis.

## AFTER SCHOOL CLUB AT FOURLANESEND 3:15pm-5:30pm

Please contact the office to book a place for your child.

Places **MUST** be booked at least 24hrs in advance.

## Message from Rame Peninsula Climate Change and Environmental Protection Open Day - Millbrook Village Hall, Saturday 4th April

We wanted to thank the children for their outstanding posters which we received last week. They really are a work of art with a very strong environmental message and choosing the winners (2 winners - older and younger), will be a difficult task! We will have a few posters on display in the Rame Centre window to advertise the open day. The format of the open day will be as follows:

10am - Box wildlife painting. The box is on the football club side of the lake and we have ordered eco friendly paints for the children to join in. It was last painted 24 years ago so is ready for a revamp.

12pm - Plum tree planting next to the wildlife painting box.

1pm - Village hall poster competition winners to be announced and prizes given.

1-5pm - Children's activities, local environmental stands and information, films and activities. We do hope that you can all join us at this community day.

## World Peace Vase Project

Please see reverse for information about a peace vase buried in Mt Edgcumbe park. You may wish to research its many benefits and locate it.

## Class News

**Class Lynher** - This week in PE we have been playing dodgeball. In English, we have been writing a balanced argument about Macbeth - was he a villain or a tragic hero? We have also been learning about Charles Darwin - his life, childhood and education. By William & Joe

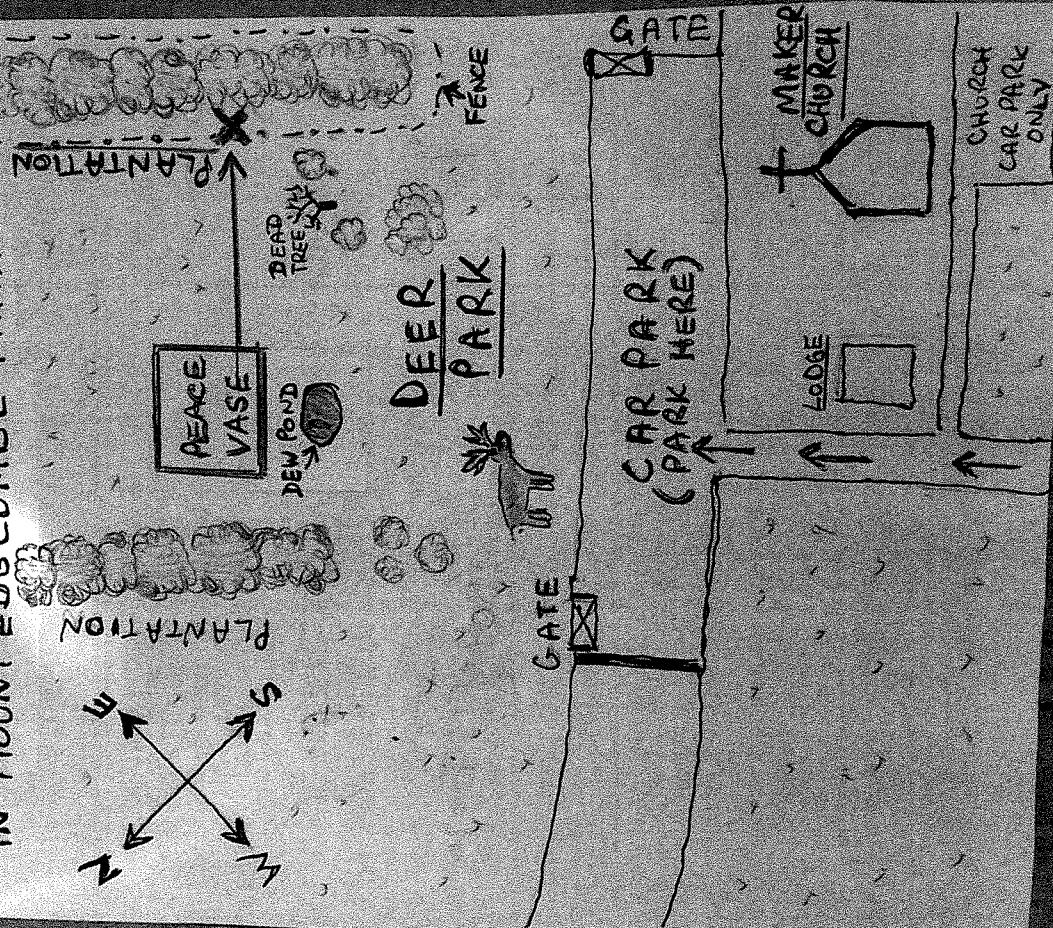

**Class Tamar** - We played a knockout game using our times table knowledge. We also played dodgeball in PE and have been learning all about our teeth in science. We learnt the location of each tooth, what they are called and their purpose. We used mirrors to look at our own teeth. By Josie, Lauren & Rose

**Class Cremyll** - We were learning about the life-cycle of animals and how they change as they grow. We also learnt about the food groups such as sausages are protein and milk is dairy. In our Jigsaw learning, we learnt about the different types of medicines and how we can keep safe. By Riley, Henry & Oscar

**Class Plym** - We have been playing musical instruments to make repeating patterns. We have been reading Handa's Surprise and also learning about Kenya. We have introduced the concept of money into the classroom by 'paying' with paper money, for our break time fruit. We also had fun playing dodgeball in PE. By Alma & Colton
