Class News

Class Lynher - In DT, we have been making toys with cams and followers for Class Plym. On Monday, we enjoyed our trip to Truro with Class Cremyll on the train. We performed our gymnastic routines to the rest of the class and we also made Christmas decorations for the Millbrook lights switch on. By Phoebe & Logan

Class Tamar - In science this week, we have been continuing our topic on light, looking specifically at sun safety. We designed hat and sunglasses to provide the optimum protection. We have also been busy making our rustic Christmas decorations for the Christmas tree in Millbrook Tanyard. In DT, we have started to design our own juggling balls ready to make them next week. Also, in PE, we showcased our gymnastics routines that we have been creating. By Mostyn & Finlee

Class Cremyll - We enjoyed our trip on the train to Truro and visiting the cathedral to learn about the Nativity. We have also been learning about advent and the symbols of advent in RE. We used the wall apparatus in PE with Mr M and we have been doing lots of practise for our Christmas performance. By Louise & Sam

Class Plym - In PSHE, we have been talking about who lives in our homes. We discussed how all homes are different, and that's OK. We have been continuing to work on balancing in PE and we have also started our new class book - 'Peace at Last'. We have labelled pictures from the book and also played 'Eye Spy' using initial sounds. We have enjoyed making Christmas decorations and cards. By Theo
