11th December 2020

Message from Head teacher: Some of you may have heard in the news about the sudden suggestion that school could perhaps take next Friday as an INSET day as the DfE realised that senior staff (at FLE it is me) have to be on call right through to Christmas Eve - see information below from the DfE. This is no different to Autumn Half Term where I could finally breath a sigh of relief on the Thursday evening. I have a COVID pack I've put together just in case. I will not be closing the school a day early, we will be here on Friday as planned. We are all looking forward to a fun last week of the Autumn Term, please check the dates for your diary to make sure you don't miss anything.

Important - Staff Well-Being and Welfare

I'm immensely proud to be headteacher of Fourlanesend; the staff are such a hardworking and dedicated team who give over and above their job descriptions daily. As a small school, without this work ethic, the school would struggle to function effectively. This has been the hardest year I've been at the school and I can honestly say that the staff all deserve a well-earned break. Please can you all not contact the staff over the Christmas holidays except in an emergency - in which case come to me. All staff have been strictly told not to reply to thoughtless messages/posts asking for information about school during the holidays. I have to say this as it has happened to most of us every school holiday, evenings and even weekends since March, to teachers, TAs, secretaries and lunchtime staff. I ask that you kindly respect staff privacy and give the team a break.

Important Information from the DfE regarding Coronavirus cases in the holidays

- Where a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.
- For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.
- School staff are not asked to remain on-call or conduct any contact tracing more than 6 days after the final day of teaching. Where a school's last teaching day is on Friday 18 December, there should be no pupil contact tracing asks beyond Thursday 24 December.
