Class News

Class Argyll — In Geography we have been learning about the seven different biomes. Mrs Stockley came in and talked about human evolution. We all enjoyed the M&M Peter Pan production.
By Daniel

Class Lynher — We are creating a newspaper and magazine and we have made our classroom look like a newspaper office. In Maths we have been looking at shapes and angles. In PE we have been practising jumps and sequences of movement.
By Eddie & Harry

Class Tamar — On Monday we planted pansies and bulbs to observe how plants grown and flowers develop. We also were investigating how peer assessment and specific critique help us improve our work. We also had a visit from M&M Productions and really enjoyed the performance of Peter Pan.
By Ronnie & Zach

Class Cremyll — In Maths we have been doing multiplication and division. In English we have been writing & modifying our own version of Jack & the Beanstalk. In Science we planted mustard seeds and we are making sure they don't dry out. We watched the Peter Pan play.
By Eva & Edward

Class Plym — We have been learning about China. We made Chinese dragons for Chinese New Year because they make New Year different from us and there's a dancing dragon. We drew pictures and wrote letters to Handa in Africa.
By Helena & Giorgia
