17th March 2016

**Message from Head teacher:** Please ensure that your children do not have access to instagram, facebook, twitter, snapchat, whatsapp etc. The age for these is 13+. Also make sure that you have parental controls/filters in place so children cannot access inappropriate websites. We have had several issues regarding this recently, where this has been a problem at home. The biggest concern is that children are afraid of telling their parents when something goes wrong online. Please have these conversations with your children, they need to know they can talk to you about it. Things go wrong on line when perpetrators know that children will not report it to parents and carers.

## Dates For Your Diary

### Easter Bonnet Parade - Thurs 24 Mar

Everyone is welcome to join us for our 'parade' down to the Church on the Rock on Thursday. We will leave school at 9.30am and the Celebration begins at 10am. If you are dropping your child off at 9am and wish to walk with us you are welcome to stay and have a coffee. In the event of bad weather the celebration will be held at school at 10am.

### Chartwells Easter Menu

Fish & Chips Or  
Cheese & Onion Quiche & Chips  
With Peas & Baked Beans  
Easter Biscuit Or Fresh Fruit Salad

### Landrake Run

Well done to Romilly, Rosie, Ines, Oscar, Marley, Jude, Katherine and Hannah for all completing the challenging Landrake Run. The sun was shining, 600 children running, lots of mud, a dinosaur mascot, hills, cheers and fun. It was great to see some racing, others walking and many just enjoying the course with friends...and mud. This run is for all abilities and parents can take part too. Would be great to see more children from Foulanesend taking part next year.

Copyright will remain with the Cornish Times and usual competition rules apply.

### Class News

**Class Argyll** — On Monday we went to the Aquarium and we took part in a workshop about evolution and fossils. In PE we have been playing netball. We researched Ireland for St Patrick's Day. We all enjoyed the circuits with Antony James and were very tired at the end!  
By Oscar & Meryn

**Class Lynher** — In English we have been learning about chronological reports about animal's migration. We liked the circuits with Antony James. In Maths we have been learning about subtractions using column methods. In PE we have been playing hockey. In Science we have been learning about living things and their amazing habitats. By Harry & Edward

**Class Tamar** — We have had an exciting week. On Monday we visited the aquarium and took part in a fossil workshop and an evolution game. We also had time to have a brief look at some of the large tank exhibits. On Wednesday at beach tribe we looked at fossils again and investigated the creatures living in the rock pools. Today we had a visit from Olympian Antony James who led us in a sport workshop and gave a talk about being a professional sportsman. We have been inspired.

**Class Cremyll** — We were really excited on Monday as the eggs had hatched and we have 6 gorgeous little chicks in school which we have been allowed to all hold. With the chicks hatching we learnt about the life cycle of a chicken and we also went on to learn about the life cycle of a penguin in Science. On St Patricks Day we dressed up in green but we didn't keep these clothes on for very long because Antony James, the Olympic swimmer came to visit and we took part in 4 different circuits which was great fun. We also did our Sport Relief mile on the field so we had a very energetic day but we feel so much better for it. By Jessica & Brodie

**Class Plym** — We planted seeds and we are waiting for them to grow. We had lots of fun doing star jumps and things with Antony James. It was really hard work. We ran round the field and didn't cut corners
