**Message from Head teacher:** It's an exciting time of year with lots of fun things happening and we don't want any child missing out. Sadly we've had several cases of sickness and diarrhoea in school which spreads very quickly. If your child has any of these symptoms please do not bring them to school. They cannot return to school until at least 48 hours after the symptoms have stopped. This will help prevent the spread so everyone can enjoy the activities and celebrations

### Attendance Monitoring

Since half term, we've had an increasing number of children arriving late to school. Just a reminder that the school day begins at 8:45am. If your child arrives after 8:45am, they will have to enter via the front entrance as playground gates are locked at 8:45am and they will be signed in the late book. If the child arrives before the close of registration (9am), they are coded with an L (late) in the registers. If they arrive after registration, they are coded with U (late after registers closed). This is an unauthorised absence. In line with our attendance policy, we monitor our attendance monthly. If your child is late on more than two occasions in the month you will receive a letter and a copy of your child's attendance certificate. We ask if there is anything we can do to support you in improving punctuality. If your child continues to be late and there is no improvement, the case will be discussed with the Educational Welfare Officer.

### Celebration Assemblies

There are no more Celebration Assemblies this term due to the Christmas Fayre, Class Plym's Nativity performance and school finishing at 2pm on the last day of term.

# FLE FOOTBALL CLUB MATCH REPORT

25th November 2022

## Don't let the score fool you..... Antony 11 - 2 Fournalanesend

On what had been a very windy and wet day, the break in the weather meant we got our season underway with our first league game.

Before kick off we found out that the opposition team was made up of all year 5 & 6. Of our squad of nine, four were year 3 and one was year 4.

Fournalanes started the game under pressure and found ourselves 2-0 down quickly but confidence began to grow as we started to control the game; with some brilliant passing, moving and some good driving runs.

Fournalanes got what they deserved when Charlie's corner to the near post was diverted into his own net by an opposition defender.

As quickly as it had gone to 2-0, it was 2-2! There was good play on the left wing between Charlie, Logan and Oscar opened up space for Archie to drift in from the right to slide the ball into the near post from the edge of the area.

Realising they weren't getting past our tireless defence of Blake, James, Billy and Ben; Antony then used their strength and size to their advantage.

Antony started to play long balls and crosses that caused our youngsters some issues BUT we fought valiantly for every ball.

Two of Antony's goals were controversial as due to there being no goal nets, it was almost impossible to see if they had gone in. Another occasion was seen as Dylan made a superb diving save to tip the ball round the post. Despite the opposition celebrating and the referee giving a goal, it was overturned.

The grass was so long that the Fournalanesend team struggled to play their game. A few counter attacks and dribbles were thwarted by the ball stopping in 12 inch clumps of grass!!

The kids could have had some more goals if not for the opposition goalkeeper, but they battled all the way to the final whistle and we are immensely proud of them all.

This was a great bit of experience and there were a lot of positives despite the result.

The team was a credit to their parents, a credit to the school and a credit to themselves :)

Bring on St.Germans on Dec 6th!!

- Coach Ryan and Coach Gareth
