28th February 2020

**Message from Head teacher:** Thank you all for your kind words and such a positive response to our collection for Jake Dunn's funeral. We made £257.10, which is the most we have ever made for a Mufti Day. It is great to be part of such a warm and caring community. As we explained to the children, they are always part of Fourlanesend, even after they have left and we always appreciate hearing what ex-pupils are up to.

### World Book Day - Thursday 5th March

This year the classes have chosen to dress up as the following:

- Class Plym & Cremyll: a book character from a traditional fairy tale or story.
- Class Tamar & Lynher - Roald Dahl characters.

Please don't worry about spending money on costumes, the home made ones are always the best!

### Children's Show at Millbrook Village Hall

Tickets £7 adult/£5 child/£19 family (suitable for age 3 upwards). Tickets available from Millbrook News or [www.carntocove.co.uk](http://www.carntocove.co.uk).

### Easter Bonnets - Friday 27th March

Our Easter Bonnet theme for our Easter Celebration & parade on 27th March: each class has 'Positive Me' displays in their classroom, so in keeping with this, we are asking for bonnets that will 'make us smile'. As usual there will be prizes for the most creative bonnets in each class.

### Class News

**Class Lynher** - In English we have been studying Macbeth. We have been comparing the story to a film short and wrote a description of the witches. We also have been discussing drugs. We learnt that drugs can kill you the first time you take them; you have the right to say no and you are precious and need to look after yourself. Brodie

**Class Tamar** - We have been using antonyms, adjectival phrases, similes and expanded noun phrases in English. In music we have been learning about tempo using Pirates of the Caribbean theme tune and identifying different instruments used and the dynamics of the music. We have been doing Joe Wicks in PE, so we are aching! Coa, Sage and Fenn

**Class Cremyll** - This week in our Science learning, we designed our own animals and explained where they lived and what they needed to eat and drink. We also sorted animals into different groups like fur/no fur or lives in water/lives on land. In PE, we practised the bounce catch with a partner and it was great fun - to begin with, the balls went everywhere and then we got better. Imogen and Oscar

**Class Plym** - This week we have been settling back in and exploring our new book 'Handa's Surprise'. We have been trying some exotic fruits and using our senses to write about them. We have also set up our Sea Monkeys tank and are excited to see what will happen next...

Ula and Max
