Class Tamar - We learnt all about tsunamis and earthquakes and how they happen. We also looked at the Mercalli Scale. We wrote poems about volcanoes and we each designed our own alien planet and had to think about everything including what the flag would look like, what food they would eat and what jobs they would do. In PE we did circuits including running, jumping and throwing activities. By Matilda & Henry

Class Cremyll - In our Geography we have been learning about the continents and hot and cold climates and in our History we imagined visiting the polar regions like the polar explorers Captain Scott and Antony Jinman. We really enjoyed using Scratch to make a character do different things like move forwards and spin. By Imogen & Reggie

Class Plym - We have been learning about the explorers Robert Falcon Scott and Antony Jinman who were both born in Devon. We have also been thinking about how we should treat people and use our kindness value to everyone! By James & Amos
