17th November 2017

Message from Head teacher: As part of Anti-Bullying week we have had assemblies and lessons on bullying. Our focus has been on thinking carefully about our actions and what constitutes bullying. We have also focused on using the term bullying correctly - it should not be used for one unkind incident. KS2 have been told about an online scheme we are going to be trialling called Toot Toot. For more information please search online for Toot toot anti-bullying. Once we have launched this we will let you know. Finally, thank you all for supporting our KS2 visit to Truro by train. So far we have had positive feedback from parents and are certainly considering using the train from St Germans in future. It is an affordable option, if you have any issue with this, please let us know.

FoFLES Christmas Fayre

We will be meeting on Friday 24th November at 3:30pm to plan the Christmas Fayre. Volunteers needed! All welcome. Please see overleaf for more info.

School Christmas Tree

Come along for a festive morning on Saturday 2nd December, to choose the Christmas tree for the school. We will meet at 10am at Sconner Down Farm, Polbathic, PL11 3ES. There will be mulled wine, mince pies and roasted chestnuts - also the chance to choose and purchase your Christmas tree for home. FoFLES look forward to seeing you there!

Lost Property

Harrison has lost a new school jumper which has HH written on the label. Ronnie has also lost a jumper with her name in. Please could everyone double check they haven't picked any up by mistake. Thank you.

Class News

Class Lynher - We have been learning about balancing and supporting our partners weight in gymnastics. We went to Truro on Wednesday and had a brilliant tour around the museum. We did a workshop in the cathedral where we dressed up as different roles such as the Bishop, Priest etc. Yesterday, we joined with Class Tamar and had a dodgeball tournament. By Jack & Ruby

Class Tamar - This week, we went to Truro on the train and visited the museum and the cathedral. In the cathedral we got to dress up as lots of different roles to do with the cathedral. We have enjoyed using the apparatus in PE and balancing. By Ollie & Ellie

Year 2 - We have been writing our own stories 'Katie in Cornwall' which included our favourite places. We have started to make our front covers. We have been making petals to go on our flower for our anti bullying campaign. Each petal is different but on the same flower to show we are all different but all equal. We have enjoyed using the PE equipment. By Josie & Antony

Year 1 - We have been writing poems based on 'Room on the Broom' - creating our own spells and alternative endings. We have been drawing pictures of our classmates and used our kindness value to think of a nice word to describe the person. By Jasmine & Jack

Foundation - We made our own yummy scones. We have been learning numbers to 20. Mrs Miller brought us a 1790 cannon ball - it was from a real ship and it was very heavy! By Morgan & Toby

Wheal Martyn Locals Pass

The china clay heritage centre on the outskirts of St Austell is offering a 12 month pass, valid from the date purchased and is £6 adults and £5 children aged 5 upwards (under 5's free). It is a very interactive site with working water wheels, settling tanks and pumps that show the way the industry worked. There are trails for children to follow and play areas.
