26th January 2018

Message from Head teacher: Over the next 2 weeks we are focusing on health and well-being in school. This also ties in with the National Children's Mental Health Awareness Week and Safer Internet Day. Instead of Celebration Assembly on the 9th February we are inviting you in for online safety training in the form of an interactive quiz delivered by your children. More details to come next week. If anyone has any ideas or knows anyone who can come in and talk to the children on any of the issues above please get in touch as it really does enrich our curriculum.
