1st December 2017

**Message from Head teacher:** A huge thank you to some members of the FAST group who spent time clearing the area around the air raid shelter on Saturday. There are plans to see if it is possible to transform the air raid shelter into a music room. Thank you also to all of the children in classes Plym and Cremyll for co-operating with us and not giving packed lunches on the recent Carnglaze visit. Staff reported it was so much easier to ensure all children had sufficient food with the school packed lunches provided.
