### Class News

**Class Lynher** - We had a fun whole day of science learning about electricity and how circuits work. We decorated t-shirts using plastic bags to write slogans about saving the planet. We have enjoyed some mindfulness colouring, playing rounders and lots of practise for Sports Day. By Jan & Kacie

**Class Tamar** - We have been designing t-shirts to promote people using less plastic. In RE we have been discussing and writing our thoughts about 'should god have favourites?' We have also been practising for Sports Day. By Lara & Fenn

**Class Cremyll** - We have been practising our obstacle races for Sports Day. We have talked about lying and using our honesty value. We imagined we witnessed the first ever aeroplane flight and wrote diary entries about it. We have also been designing futuristic cars. By Erin & Jack

**Class Plym** - This week we have been practising for our activities in time for Sports Day. We have learnt to tell the time, finding o'clock and half past. We used our senses to go on a nature trail in the school field and made amazing drawings. By Eva & Maizie

### Better Energy School Awards - We Are Winners!

Foulanesend has been selected as the Regional Champion school for Wales & the West of England for our work regarding the Comic Relief red noses. This means that we will definitely be receiving £1,000 in cash for the school. We are now in the running to turn that into £5000 when the national winners of the 2019 competition is announced. This announcement will be made at the Awards Ceremony, which takes place in the Prince Albert Suite at London Zoo on Tuesday 18 June. The school council will be attending this exciting event and when the Awards Ceremony is over, a lunch is served and after lunch, we will have the opportunity to look around the Zoo. We are absolutely thrilled to have won the regional prize and are really looking forward to the awards ceremony. Well done Foulanesend!
