29th April 2022

**Message from Head teacher:** Furlanesend is officially 110 years old on Monday! We are celebrating this on the 25th May with an Edwardian Day - further details to follow. Look out on our website next week for our photobooks covering what your children learnt last half term. They include photographs of your children's learning, quotes from the children and examples of their work. Also remember to look at our weekly updates of what your child's class has been up to on the class pages on the website.

## Dates For Your Diary

## BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND

7.45am-8.45am  
3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.  
Places **MUST** be booked at least 24hrs in advance.

### School Dinner Menu

Due to some supply issues there may have to be some last minute changes to the menu. If changes need to be made we will inform you as to what the menu options are.

### Yoga Club

Please note that the after school yoga club **finishes at 4.15pm** every Monday and Tuesday, not 4.30pm as stated on the letter.

### Sports Champion Visit

Please can any sponsorship money for the sports champion visit be in school by 20th May please.

### Sports Clubs

If your child has signed up to any of the after school clubs, please make sure they commit each week. Some of the clubs have very limited spaces and it's unfair on others who would have liked a space if children persistently don't attend.

### Family Membership to Cornwall Heritage Trust

### Class News

**Class Lynher** - We have been practising for sports day - particularly our sprinting. In geography, we have been learning about the Amazing Americas and have been challenged to find all 50 states. In computing, we have been looking at systems and how we use them in everyday life. By Erin & Isla Pearl

**Class Tamar** - We have been writing our own riddles, initially about animals and presented them to the class so they could guess which animal we had written about. We then used our story from English to write riddles about the objects the lady found and the class had to guess which object we had chosen. In art this term we are learning about European artists. This week, we did observational drawings based on a Anselm Kiefer sculpture. We are also learning about the town of Whitby in geography and comparing it to our seaside town. By Emilie & Henri

**Class Cremyll** - We have been learning about Jesus's special friends - his disciples. In DT we started to explore different ways of using clay. In English, we learnt about apostrophes and read Flat Stanley. By Reggie & Colton

**Class Plym** - This week we have started our new geography and had to compare the town and the country. The town had lots more buildings and jobs and it is so much more noisy! In PE we were doing lots of running and went from walking to jogging and then to running and finally sprinting. If both feet are off the floor then it is called flight. We used our hands as tools with clay too and had to do rolling, pulling, punching and squashing. By Clara, Alfie & Hugo
