3rd March 2016

Message from Head teacher: Thank you everyone for making such a wonderful effort and dressing up. We awarded books to Lara, Lilah, James, Quinn, Marley & Rosie for the best costumes that were book related. Every child has been given a £1 book token that can be redeemed in most book shops. We also judged the homework on the character profiles and the winners were Coa, Ben, Daisy, Ruby & Ethan.

School Council News

Please see our website for full details of our recent meeting. The school council agreed to purchase the subscription for Aquila magazine which was a suggestion from Lidia. They are going to raise funds for this after Easter using 'fill a jar'. For Sports Relief, we are asking everyone in school to run or walk a mile. For the younger children this will be done over the week. The children are asking for sponsorship to raise money.

Head lice

There has been a recurrence of head lice in school - especially in Class Plym. Please check your child and treat accordingly. Thank you.

Sports for Schools

On Thursday 17th March, we have GB Athlete Antony James coming to school. Antony will be leading some energetic fitness circuits with the children and hosting an assembly with a Q&A session to help inspire the children into more sport and exercise. We are asking the school community to help by sponsoring the children to complete the fitness circuits in order to raise money for Fourlanesend School to buy more sports equipment. More information to follow soon. We realise that this event is very close to the Sports Relief Day on the 18th March, so we have decided to split any monies raised on both days equally between the two events.

Monthly Challenge - March 2016

Rugby Slalom - please see attached.

Class News

Class Argyll — We continued painting our still life pictures. On World Book Day our class had lots of creative costumes. We are entering a national competition for World Book Day where we have created book tokens. The overall winner will get their token published.

By Romilly & Tyler

Class Lynher — In English we are creating our characters that we dressed up as for World Book Day using card and putting information about them inside. In Maths we are investigating patterns and sequences. In Science we are finding out about beans and we are comparing the impact of the different growing environments.

By Ella & Edward

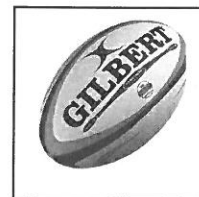

Class Tamar — This week we have begun our new unit - Dragon Slayer. We used our homework to analyse the key features of legends. We are exploring legends for features and powerful language. In Science we made a flower. We looked at the structure of a flower and have begun to look at pollination. On Wednesday we celebrated St David's Day. The whole school shared information about Wales. We have had a fun World Book Day. We dressed as characters from our books - we've thought about questions we would ask our favourite authors and written new blurbs for our favourite book trying to persuade others to read it. By Ruby & Jack

Class Cremyll — It's been a very busy week, we dressed up in yellow or red on Tuesday to celebrate St David's Day and all made a daffodil to mark the occasion. On Thursday it was World Book Day so we all came dressed as a character from a book. Mrs Champion said we looked amazing and had made a fantastic effort with our outfits. We joined Class Tamar on Monday afternoon and made flowers and at the same time we learnt about the different parts of a plant. By Grace & Brodie

Class Plym — We learnt about the dragon for St David's Day and we made Welsh cakes. In Maths we learnt about coin values. On World Book Day we all dressed up, which was fun. By Lara & Oscar

MONTHLY CHALLENGE

March 2016

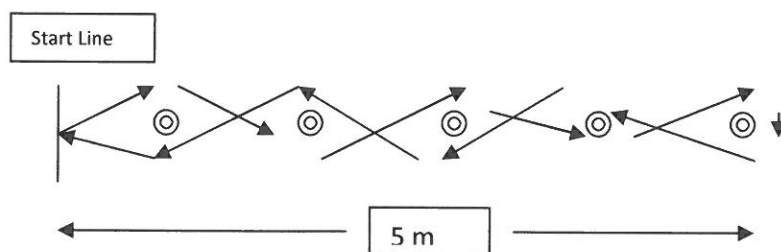

Rugby Slalom

Draw a start line using playground chalk. From the start line, put out 5 cones, 1m apart. Place a rugby ball on the start line. On go, player picks up the rugby ball and runs with it, holding it in **two** hands, in and out of the cones to the end and then back again to the start line, where the ball is touched down on the line. Keep repeating for a minute. Score - 1 point for each complete circuit from start line and back to start line plus .1 point for each cone passed e.g. a score may be 5.3 or 5.9 .

Important: The ball **must** touch the start line after each circuit for a point to be scored, although the hands need not be released from it.

Same challenge for all - but email best results from following categories: KS1 girl, KS1 boy, KS2 girl, KS2 boy, staff, parent.

COME ON, GIVE IT A GO YOU CAN DO IT

School results need to be in to ARENA
info@arena-schools.co.uk at the end of term.
