27th January 2017

Message from Head teacher: Thank you to everyone who has completed a speech bubble for our Alice display in the school entrance hall - we still have space to fill. If you don't have one, just take a blank from the display or ask at the office. The children really appreciate reading your comments. We are holding an online safety meeting at 14:20 on Friday 10th February. The focus of this is keeping your child safe online and discussing the hidden dangers of social media - what may seem innocent to you may not to other people.

Dates For Your Diary

Friday 10th February - 2:20pm

Whole school Homework on Planets Week 1

This morning we all spent time looking and feeding back on the homework produced by every class. Class Tamar and Cremyll paired up to talk about what they liked about the planets they had created. They were very impressed by the quality of the drawings and models. Brodie not only made a model of his planet, he also wrote a description of it. Class Plym and Class Lynher also explained what they had done to each other and fed back on what they liked. It was great to see a range of ideas including poems, papier mache models, intricate drawings and cartoons.

If it was unfortunate that not every child was able to participate in this fully and receive feedback on their hard work as they had not brought it in:

Class Lynher - 1 child

Class Tamar - 7 children

Class Cremyll - 6 children

Class Plym - 4 children

It would be great to see an improvement in this next week—100%!

Class News

Class Lynher - In English we have learnt about blood, in Maths we have been learning about money and fractions, we played basketball and played the trumpet. By Brae & Rania

Class Tamar - We have been thinking about what skills would make the best astronaut and decided that a fighter pilot would be good for the job. We have been pretending to interview an astronaut and starting to write a biography of an astronaut we have created. By Ronnie, Mani & Charlotte

Class Cremyll - We have been drawing pictures of and making models of planets and learning about Neil Armstrong. We have written newspaper articles about him. In music, we watched a rap about planets and then made up our own raps. This afternoon we are doing Wild Tribe. By Coa & Felix

Class Plym - We have been being survivors in Wild Tribe and thinking about what we need to survive in the wild. We learnt that we need shelter, food, water and oxygen. We also toasted marshmallows around a camp fire. We've had great fun. By Ashton & Thomas
